Mitch Prescott was

Shay Kendall's savior.

He'd bought her

mother's mansion on
the Washington coast,

a financial albatross

that Shay couldn't

handle. And now he

offered her true
financial

independence—a

dream as seductive as

Mitch himself. All she

had to do was help him

write an exposé on her

mother, a former

Hollywood star. It felt

disloyal, even though

her mother would

never know the

difference. Once a

legend, Rosamond now

wasted away in a long-term care facility, clutching a doll she thought was her baby. It would be painful, recalling her mother's fickle love and the worst moments of Shay's life. But it could be the one thing that finally allowed Shay to move forward. And find her own love. Look for more captivating titles from #1 New York Times bestselling author Linda Lael Miller! Big Sky River is available now from Harlequin HQN. And don't miss The Man from Stone Creek! **Larkspur** Bloomsbury Publishing USA The creative partnership of acclaimed writer and academic Mary M. Talbot and graphic-novel pioneer Bryan Talbot has produced some of the most

challenging and entertaining graphic novels in recent memory, including 2012's Costa Award medalist Dotter of Her Father's Eyes. The Red Virgin and the Vision of Utopia explores the life of revolutionary French feminist Louise Michel, a visionary teacher, poet, and radical who took up arms against a reactionary regime that executed thousands. Even deportation to a distant penal colony could not stop Michel from taking up the cause of the indigenous population against French colonial oppression. *Head To Head* Macmillan Transformation is a door, which can only be opened from the inside. Most of us see improvement potential in certain areas of life.

Yet we often lack inspiration, willpower and resilience to realize our ambitious plans. In fact it is very easy to cultivate new routines once we obtained clarity about behavioral patterns, our personality and individual goals. Johann Zillmann takes us on a journey to ourselves. The starting point is the insight that life itself means change. Also, striving for a better existence in primeval and has to be done in a self-responsible way. This implies that we know where we are from, who we are and where we want to go. Based on the vision we can develop plans and execute them. Finally the circle closes by acknowledging that we have to change continuously, challenge

our objectives, adjust our plans and align our actions respectively. As soon as we proactively trigger transformational processes, we become the captain of our own ship and can navigate in an agile way. Change your Life is thus a practical guide for everyone, who expects more than mediocracy. It is an ode to life and the creative forces within us.

New York Times bestselling author and master of Scottish Highland romance, Hannah Howell, brings readers this sensual and action-packed tale of the Murrays—her longest running and bestselling series. When Cameron MacAlpin learns the identity of the golden beauty tossed before him as a debt payment, he can't believe his fortune! For cat-eyed Avery Murray is the perfect weapon to use against Payton Murray—Avery's brother—who dishonored Cameron's own sister. Yet his plan to deliver the same insult and avenge his clan is thwarted by spirited Avery herself, who tempts him to

forget everything but the passion coursing through his blood. Still, a knight of the Highlands owes his allegiance to his clan before all else—even his heart. Avery is outraged at her captor's accusations against her brother. Though he makes no secret he intends to use her to avenge his sister's lost honor, he adds to her fury by vowing to take her by seduction not force. Worse, she knows deep inside that this virile knight stirs her as no other man ever has. . . . Praise for Hannah Howell and her Highland novels. . . . THERE'S NO PLACE LIKE HOME—EVEN IF HOME IS WHERE THE DEAD LIVE... It's the start of the fall semester, and a new crop of Acari and Trainees have descended on the Isle of Night. Watcher training has intensified, and Drew has a new roommate named Mei-Ling. But Mei-Ling harbors a dangerous secret that drove the vampires to abduct her against her will. Drew knows she shouldn't get involved, but she can't seem to leave her roommate to fend for herself. Luckily, Drew has other things on her mind—like vampire Carden. A blood bond to a brawny, eighteenth-century

Scottish bad boy tends to preoccupy a girl. And though she's still figuring out what this bond means, one thing has become clear: She craves him in a major way. But then bodies start turning up on the island. All the evidence points to the existence of a rogue vampire, and the sinister vampire Alcántara is gunning for Carden, even though Drew has proof that Carden had nothing to do with the murders. Now she has to find the true killer—without endangering Carden, Mei-Ling, or herself...
Simply Heaven HQN Books
Kiss Me Forever He's Hot. He's Sexy. He's Romantic. He's Immortal. If there is one thing Dixie LePage does not need in her life, it's complications.

And the man sitting across the table from her in a crowded English pub, the one offering to buy the library of her inherited estate in a small English village, is a major complication. For starters, there's the broad shoulders. The slightly amused smirk. That smoldering look that makes it impossible to concentrate. And that infuriating, old-fashioned, and well, okay, incredibly appealing sense of chivalry. No doubt about it, the guy is hot and sexy. Of course, there is one wee little problem: He claims to be a vampire named Christopher Marlowe, as in THE Christopher Marlowe, famous playwright, contemporary of Will Shakespeare. Right.

Amend that to hot, sexy, and totally insane. Please see "no more complications." So why can't Dixie seem to resist the warmth of Christopher's charm, the protective feel of his strong hands, or the tempting pull of his full mouth when the sun goes down. . .? Love Me Forever Does This Come In My Size? Justin Corvus. That was the name of the gorgeous, dark-eyed charmer holding her hand in a sensual clasp, turning her knees into jelly. All struggling, single mother Stella Schwartz meant to do was let her son, Sam, browse through books at Dixie's Vampire Emporium. She hadn't counted on the shop assistant being a stylish super-hunk with

the kind of Hugh Grant accent that makes a woman's thoughts wander through a neighborhood called Take Me Now, Please. And to top it off, the man's a sweetheart. The way he picked up on the fact that she didn't have two red cents for the Halloween costume Sam wanted but made it happen anyway? Total head-over-heels time. When Justin smiles at her, it's as if he's known her forever. . .and when he asks for her phone number--to let her know when the costume is ready, of course--Stella can't help wanting this feeling to go on forever. There's something very different about Justin Corvus. . .different and irresistible. . . For The First Time Together--
