#1 NEW YORK TIMES BESTSELLER •

NEWBERY MEDAL WINNER • NATIONAL

BOOK AWARD WINNER Dig deep in this

award-winning, modern classic that will

remind readers that adventure is right

around the corner--or just under your feet!

Stanley Yelnats is under a curse. A curse

that began with his no-good-dirty-rotten-

pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times \*Includes a double bonus: an excerpt from *Small Steps*, the follow-up to

*Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.

*More to the Story* Farrar, Straus and Giroux (BYR)

Parks and Recreation actor and Making It co-host Nick Offerman shares his humorous fulminations on life, manliness, meat, and much more in this New York Times bestseller. Growing a perfect moustache, grilling red meat, wooing a woman—who better to deliver this tutelage than the always charming, always manly Nick Offerman, best known as Parks and Recreation's Ron Swanson? Combining his trademark comic voice and very real expertise in woodworking—he runs his own woodshop—Paddle Your Own Canoe features tales from Offerman's childhood in small-town Minooka, Illinois—"I grew up literally in the middle of a cornfield"—to his theater days in Chicago, beginnings as a carpenter/actor and the hilarious and magnificent seduction of his now-wife Megan Mullally. It also offers hard-bitten battle strategies in the arenas of manliness, love, style, religion, woodworking, and outdoor recreation, among many other savory entrees. A mix of amusing anecdotes, opinionated lessons and rants, sprinkled with offbeat gaiety, Paddle Your Own Canoe will not only tickle readers pink but may also rouse them to put down their smart phones, study a few sycamore leaves, and maybe even hand craft (and paddle) their own canoes.

SPECIAL PREVIEW! A rich and moving story about how one girl's celestial-sized dreams for a future on Mars go heartbreakingly awry when an unexpected diagnosis threatens her future. Things Mischa "Ish" Love will miss when she goes to Mars: lying on the living room floor watching TV, ice cream, her parrot Buzz Aldrin. Things Ish Love will not miss when she goes to Mars: mosquitoes, heat waves, missing her former best friend Tig. Ish is convinced that she'll be one of the first settlers on Mars. She's applied to—and been rejected from—the Mars Now project forty-seven times, but the mission won't leave for ten years and Ish hasn't given up hope. She also hasn't given up hope that

Tig will be her best friend again (not that she'd ever admit that to anyone, least of all herself). When Ish collapses on the first day of seventh grade, she gets a diagnosis that threatens all her future plans. As Ish fights cancer, she dreams in vivid detail about the Martian adventures she's always known she'd have—and makes unexpected discoveries about love, fate, and her place in the vast universe. In this story perfect for fans of *Fish in a Tree* and *The Thing About Jellyfish*, Karen Rivers has once again created an unforgettable narrator who will pull readers into her orbit and keep them riveted until the very last page. Praise for *The Girl in the Well Is Me*: "Darkly humorous . . . Honest and forthcoming . . . It's in the quiet moments when Kammie is alone with her thoughts—which become surreal hallucinations—that the book comes alive." —The New York Times "A brilliantly revealed, sometimes even funny, exploration of courage, the will to live, and the importance of being true to oneself. The catastrophe draws readers in, and the universality of spunky Kammie's life-affirming journey will engage a wide audience. Moving, suspenseful, and impossible to put down." —Kirkus Reviews, starred review "Funny, surreal, occasionally heartbreaking . . . A compulsively readable story." —School Library Journal "I dare you to pick up this riveting novel without reading straight through to its heart-stopping conclusion. Karen Rivers has penned a dazzling voice, at once hilarious, heartbreaking, and searingly honest. *The Girl in the Well Is Me* is a triumph." —Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan* "A gripping story that doesn't shy away from dark places but explores them with heart, humor, and light." —Kate Messner, author of *All the Answers*

 A graphic novel adaptation of the beloved, bestselling Newbery Honor-winning novel. Eleven-year-old Turtle is smart and tough and has seen enough of the world not to expect a Hollywood ending. Simon has always longed to catch a salmon. But when his luck suddenly changes and an eagle accidentally drops one into a tidal pool, Simon is torn between sympathy for the fish and the desire to catch something of his own. All summer long, Simon, a young First Nations boy, has been desperate to catch a salmon. He goes fishing every day, but has no luck. Then one day a high-flying eagle drops a salmon into a clam hole right before his eyes, and Simon must decide whether to take it home or let it go. This simple story, with its evocative watercolor paintings of the Northwest Coast, was an environmental fable before its time when it was first published in 1978. But its true power rests in the magical combination of text and pictures, which have made it a best-selling classic.

\*An Indie Next List Pick and a Top Ten Rainbow Book for Young Readers!\* Jules Machias explores identity, gender fluidity, and the power of friendship and acceptance in this dual-narrative story about two kids who join forces to save a

dog . . . but wind up saving each other. Ash is no stranger to feeling like an outcast. For someone who cycles through genders, it's a daily struggle to feel in control of how people perceive you. Some days Ash is undoubtedly girl, but other times, 100 percent guy. Daniel lacks control too—of his emotions. He's been told he's overly sensitive more times than he can count. He can't help the way he is, and he sure wishes someone would accept him for it. So when Daniel's big heart leads him to rescue a dog that's about to be euthanized, he's relieved to find Ash willing to help. The two bond over their four-legged secret. When they start catching feelings for each other, however, things go from cute to complicated. Daniel thinks Ash is all girl . . . what happens when he finds out there's more to Ash's story? With so much on the line—truth, identity, acceptance, and the life of an adorable pup named Chewbarka—will Ash and Daniel forever feel at war with themselves because they don't fit into the world's binaries? Or will their friendship help them embrace the beauty of living in between?
