Complete Portuguese Beginner to Intermediate Course John Murray
 Increased personal contact among people of all parts of the world has underscored the inadequacy of traditional language study to meet contemporary communications needs. Linguistic science, in recent years, has responded to this breakdown of communications by emphasizing spoken, versus literary, language in the teaching of foreign languages. Very real differences do exist between what is spoken and what is written in virtually every language. In Brazilian Portuguese, especially, the gulf between the two is wide: In many cases, the most cultured Brazilian is unable to comprehend with ease Brazilian literature written only fifty years ago. THE SYNTAX OF SPOKEN BRAZILIAN PORTUGUESE is the first thorough analysis of the spoken language of contemporary Brazil, in English, for students and teachers of the language. Useful as a text in advanced language courses, the work is intended primarily for reference and as a research aid to future authors of Portuguese language textbooks.

The Everything Brazilian Portuguese Practice Book Teach Yourself
 "Olly's top-notch language-learning insights are right in line with the best of what we know from neuroscience and cognitive psychology about how to learn effectively. I love his work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller A Mind for Numbers An unmissable collection of eight unconventional and captivating short stories for young adult and adult learners of Brazilian Portuguese. Short Stories in Brazilian Portuguese for Beginners has been written especially for students from high-beginner to low-intermediate level, designed to give a sense of achievement, a feeling of progress and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference (CEFR) for languages, these eight captivating stories are designed to give you a sense of achievement and a feeling of progress when reading. What does this book give you? - Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary - Controlled language at your level to help you progress confidently - Realistic spoken dialogues, to help you learn conversational expressions and improve your speaking ability - Accessible grammar so you learn new structures naturally, in a stress-free way - Beautiful illustrations accompanying each story, to set the scene and support your understanding - Pleasure! Research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including: - A glossary for bolded words in each chapter - Full plot summary - A bilingual word list - Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Brazilian Portuguese for Beginners will make learning Brazilian Portuguese easy and enjoyable.

 Learning a new language or a second language is not easy or quick. Especially the first few months, it requires a lot of time, a lot of patience, and commitment. Learning a new language or a second language allows you to connect with the country and culture you are working on through books, magazines, newspapers, movies, television, websites, and conversations. Best of all, learning languages is a passion that will help you in the future, and the skill will belong to you forever! Five tips for learning a new language or a second Language: 1. You need to spend a good amount of time listening to the language as well as working on pronunciation. 2. Open the online book and try to write each word, phrase, expression and sentence down at least once, but preferably three times for

a higher success rate. This will help you remember the words, sentences, etc. at a great pace and this will also help you remember the language. 3. Open the online book, listen and repeat each word, phrase, expression and sentence from the audio. If you have a chance, make sure to purchase the audio, it will help you learn at a faster pace. 4. Start reading and watching news in the language you are working on online. It is a great way to understand and work on your conversation skills on that language. 5. Finally, plan a trip abroad to that country. This online book contains 6382 mix words, phrases, expressions, and sentences. There are 64 audio units for this book. Each audio unit contains 100 mixed words, phrases, expressions, and sentences. If you have a chance, please purchase the audio because it is not included with this book, as stated above. If you are mastering the first 75 pages of this book while listening to the audio, you can get through any situation during your trip abroad. If you are mastering 150 pages or more of this book while listening to the audio, you can live and work in that country without any problems! I can show you the best way to learn languages! The next step is yours! Study hard and you will learn your languages! Just remember one thing that learning never stops! Read, Read, Read! And Write, Write, Write! A thank you to my wonderful wife Beth (Griffo) Nguyen & my amazing sons Taylor Nguyen and Ashton Nguyen for all their love and support, without their emotional support and help, none of these educational language eBooks and audios would be possible. Spanish speakers can learn Brazilian Portuguese much more rapidly than any other language, and thousands of students have used Antônio Simões's text/workbook Com licença: Brazilian Portuguese for Spanish Speakers to make the transition between the two languages. Recognizing the need for a text that incorporates current cultural references and the latest language pedagogy, Simões now offers *Pois não: Brazilian Portuguese Course for Spanish Speakers*, with Basic Reference Grammar. *Pois não* contrasts Portuguese and Spanish, which accomplishes two main goals. It teaches the equivalent of one year of college Portuguese in one semester, three times a week, to Spanish speakers who also have a solid understanding of English. Additionally, the book serves as a basic reference guide to Brazilian Portuguese for the same audience. *Pois não* can be used by students in the classroom or by independent learners. Users of the book may focus on the drills alone, concentrate on both the explanations and drills, or use the book as a reference for consultation only. Answers to all of the exercises are included in the book. A CD containing recordings by native Brazilian speakers of dialogues that appear in the book is included.

Modern Brazilian Portuguese Grammar Workbook is an innovative book of exercises and language tasks for all learners of Brazilian Portuguese, ideal for use alongside the Modern Brazilian Portuguese Grammar or as an independent resource. The book is divided into two sections. Part A provides exercises based on essential grammatical structures whilst Part B practises everyday functions, including making social contact, asking questions and expressing needs. This third edition offers a greater variety of exercises, including exercises designed to practice concepts introduced in the "Notes for Spanish Speakers" sections of the Grammar. Exercises from the second edition have also been revised and expanded upon and a comprehensive answer key at the back of the book enables you to check on your progress. The Modern Brazilian Portuguese Grammar Workbook is ideal for all learners who have a basic knowledge of Brazilian Portuguese, including undergraduates taking Brazilian Portuguese as a major or minor part of their studies, as well as intermediate and advanced school, adult education and self-study students.

Have you always wanted to learn how to speak Portuguese but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Portuguese, this book is not for you. However, if you need to actually hold a conversation while on a trip to Brazil or Portugal, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This isn't a pronunciation book. Thus, this book is recommended for those with prior knowledge in pronunciation of the Portuguese language. However, for those who aren't previously familiar, this book does provide some basic tools to teach pronunciation. The main thing this book offers is the necessary tools to become conversational in a foreign language in record time. As previously stated, though, with regards to grammar and pronunciation, you are on your own! This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational Portuguese Quick and Easy*, all you need are fifty-three pages. Learn Portuguese today, not tomorrow, and get started now!
