Gabriel spent years beating himself up over his last encounter with Nikki. He’d wanted her then, but for reasons that were bad for both of them. Things have now changed. Gabe sees more than a girl he’s known forever; he sees a smart, talented, and heartbreakingly beautiful woman . . . one who’s being stalked from the shadows. Stone Cold Touch Blue Box Press

The unforgettable second novel in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout.

Includes a special bonus scene from Seth's point of view. Enter the world of Covenant... For Alexandria, being destined to become some kind of supernatural electrical outlet isn't exactly awesome - especially when her 'other half' is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom - so not cool. Their connection does have some benefits, like staving off her memories of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. When daimons infiltrate the Covenants and attack students, the gods send furies - creatures determined to eradicate any threat to the Covenants and to the gods... and that includes Alex. If that and hordes of aether-sucking monsters weren't bad enough, a mysterious threat seems willing to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her.

The Covenant University has become the frontline for the escalating violence between pure-bloods and half-bloods. War between the races seems inevitable, and it couldn't come at a worse time.
