Journal d'une peste - tome 6 Enfin les vacances ! Pocket Jeunesse

Roman aux allures de journal intime et foisonnant de conseils colligés par Fannette, une préadolescente vindicative ayant des réparties mordantes et provocatrices à proposer aux aspirantes petites pestes qu'elle espère recruter dans sa Confrérie. Rédigé d'une écriture brouillonne

manuscrite, Fannette présente les aléas de ses conflits ou différends avec son entourage et ses méthodes souvent machiavéliques, brusques ou impertinentes pour obtenir ce qu'elle désire. Son papy l'aide toutefois à relativiser les choses. Au final et dans un esprit satirique, la jeune adolescente espère s'épanouir en tentant d'être fidèle à elle-même, sans se laisser influencer par ses pairs. [SDM].

Paleodemography Cambridge :
University Press

A fascinating document of an

extraordinary life, *Memoirs of A Breton Peasant* reads with the liveliness of a novel and bristles with the vigor of an opinionated autodidact from the very lowest level of peasant society. Brittany during the nineteenth century was a place seemingly frozen in the Middle Ages, backwards by most French standards; formal education among rural society was either unavailable or dismissed as unnecessary, while the church and local myth defined most people's reasoning and motivation. Jean-Marie Déguignet is unique not only as a literate Breton peasant, but in his skepticism for the church, his interest in science, astronomy and languages, and for his keen—often caustic—observations of the world and people around him. Born into rural

poverty in 1834, Déguignet escapes Brittany by joining the French Army in 1854, and over the next fourteen years he fights in the Crimean war, attends Napoleon III's coronation ceremonies, supports Italy's liberation struggle, and defends the hapless French puppet emperor Maximilian in Mexico. He teaches himself Latin, French, Italian and Spanish and reads extensively on history, philosophy, politics, and literature. He returns home to live as a farmer and tobacco-seller, eventually falling back into dire poverty. Throughout the tale, Deguignet's freethinking, almost anarchic views put him ahead of his time and often (sadly, for him) out of step with his contemporaries. Déguignet's voluminous journals (nearly 4,000 pages in total)

were discovered in a farmhouse in Brittany a century after they were written. This narrative was drawn from them and became a surprise bestseller when published in France in 1998.

Que c'est dur de retourner au collège après des super vacances... Surtout quand on est la reine des pestes ! Heureusement, Fannette a plein d'idées pour rendre la vie plus amusante : . Empêcher Lola de devenir déléguée de classe. . Chanter faux pendant les répétitions de la chorale du collège. . Aider son pépé Gaston à semer la pagaille dans sa maison de retraite... Et puis elle a un amoureux maintenant. Mais son histoire avec Théo sera-t-elle toujours la même sans la magie des vacances ?

Moi ? Un ange ! Média Diffusion

"High-action adventure, a plucky protagonist, and whimsical illustrations enliven this sea fantasy, which will be most thoroughly appreciated by series followers." — Booklist Picture an island set in a glittering blue sea, sparkling with white sand and palm trees, a secret place where humans and merfolk live together. To Emily Windsnap — half mermaid, half human — her new home is perfect. That is, until Emily ruins everything by waking a legendary sea monster known as the kraken from its hundred-year sleep. . . . An enchanting tale with a fabulous monster, engaging characters, and plenty of mermaid magic, this second fantasy about Emily Windsnap is filled with charm and warmth.

Good parents everywhere know the tension of wanting our kids to be curious, to have rich experiences and friends...but to be perfectly safe while doing it. Little Fox knows all about it! His father (in classic picture book fashion) warns him of the danger everywhere. But Little Fox still frolics with butterflies, scavenges for food, and searches for new friends. Then one day he takes a tumble, bumps his head, and starts dreaming of things that reflect both the

beauty he's seen and the scary things he's heard. Marije Tolman's ingenious illustrations use a fresh technique that feels like a movie and a dream, starring the cheerful, bright orange Little Fox on grainy mixed media landscapes of blue and green. And when Little Fox wakes up, he's perhaps a little wiser, but still every bit as curious and full of life. Praise for Little Fox ★ "A beautiful, fully realized dreamscape. A tender, brilliant tour de force from the Netherlands."—Kirkus Reviews, starred review

Chanter La Pêche aux moules au concours régional de chorales ? LA HONTE ! En simulant un malaise sur scène, Fannette voulait juste éviter à sa classe de se ridiculiser. Ce qu'elle n'avait

pas prévu, c'est que ça lui vaudrait un bouche-à-bouche dégoûtant (beurk !) et un régime spécial grande malade ! Au programme : du repos et des brocolis (re-beurk !). Pas facile tous les jours d'être une peste... Parole de Fannette !

Noël, ce n'est pas le moment de l'année que préfère Fannette. Déjà parce que personne, dans sa famille, n'est capable de lui offrir un cadeau digne de ce nom (qui serait content de recevoir un livre sur un jeune prodige de l'équitation ? Qui ?). Ensuite, parce que c'est la période des bulletins scolaires. Et, trop concentrée à devenir la reine des pestes,

Fannette n'a pas vraiment assuré, côté notes... Les choses pourraient s'arranger avec le nouvel an : Fannette est invitée à une fête avec le beau Théo. Sauf que... Fannette doit aussi y emmener sa petite sœur Eva ! Une chance que Fannette soit diplômée de pestologie : elle trouvera bien un stratagème pour se sortir de ces mauvais pas !

Geek + runaway = a runaway UK hit! Geek Girl is the first book in a hilarious, internationally bestselling series that's perfect for fans of Louise Rennison and the Princess Diaries series. Harriet Manners is a geek. She always has been, and she thought she always would be—but when she's discovered by a modeling agent, she leaps at the chance

to reinvent herself. There's only one problem: Harriet is the definition of awkward. Can she transform from geek to chic? Includes a sneak peek at Geek Girl: Model Misfit!

Never Do Anything, Ever MIRA

Do you ever wonder how some people always seem to be happy, no matter what? Have you ever felt more depressed than others and unable to join their state of happiness? You're not alone... At one time or another, we've all been in a pit of despair where it feels like happiness is an impossibility. It is here Mystic the cat begins his journey toward a place of pure joy and harmony—a place we all can reach. Don't wait anymore... More than an adventurous cat story, this novel illustrates how to quiet the deceptively negative noise of

the mind so the pure joy that is you can finally shine through. Follow Mystic on his journey of discovery, and with him, unlock the secret to true happiness... Mystic the cat loses everything he thought was the cause of his joy and reason for existence when his best friend, an elephant named Bumpa goes missing. Heartbroken, Mystic decides to search for his lost friend, and regain his happiness. But on his journey, he meets a strange, beautiful black cat named Freedom who insists he doesn't need Bumpa to be happy, and a terrifying red cat named Trembly who tries to convince him that happiness is an illusion. Mystic's hope shatters and his worst fears threaten to push him into a bottomless abyss of pain. Will Mystic have the strength to face his fears? Will

he ever see Bumpa, or be truly happy ever again? Unleash your happiness... "Who would imagine that a story about some cats (and monkeys and an elephant), could be so illuminating?" Martin Colin, Goodreads ★★★★★ Buy your copy today!

Fannette a un gros problème. Ce problème, c'est Maxine, la nouvelle recrue super belle et super sympa des Deep Dusty, le groupe de rock de Théo... Mais pas question de laisser cette fille lui faire de l'ombre ! Fannette, elle aussi, doit chanter au concert des Deep Dusty, et le petit numéro qu'elle prépare s'annonce... inoubliable ! Et 100 % peste, évidemment.

As a plague descends on Medieval England, a courageous Lady must

protect her land and people at all costs in this historical novel: “Enthralling” (Julian Fellowes, creator of *The Gilded Age*). England, 1348. When the Black Death arrives in Dorset, no one knows what manner of sickness it is or how it spreads and kills so quickly. The Church proclaims it a punishment from God, insisting that daily confession is their only hope for survival. But Lady Anne of Devilish has different ideas. With her trusted steward Thaddeus at her side—and her brutal husband absent—she gathers her serfs within the moated walls of Devilish and refuse entry to outsiders, including her husband. But in such a confined space, conflicts soon arise. Ignorant of the

world outside, Lady Anne’s people wrestle with the terrible uncertainty of their futures. And as food stocks run low, they begin to wonder how long they can survive within. The moment will come when they must cross the moat . . . and encounter a world transformed in ways they can’t imagine.
