The Book Sulaim Bin Qais

is the oldest known Shia Hadith collection by Sulaim ibn Qais Hilali, who entrusted it to Abban ibn Abi Ayaish and has received endorsement from five Infallible Imams." The author researched and verified events before he penned them so that their authenticity is incontrovertible. The book was entrusted to only one person, Aban ibn Abi Ayyash who was held to a solemn oath not to talk of the book during Sulaym's lifetime and that after his death he would give the

book only to trustworthy Shia.

Analyzing Grammar is a clear introductory textbook on grammatical analysis, designed for students beginning to study the discipline. Covering both syntax (the structure of phrases and sentences) and morphology (the structure of words), it equips them with the tools and

methods needed to analyze grammatical patterns in any language. Students are shown how to use standard notational devices such as phrase structure trees and word-formation rules, as well as prose descriptions. Emphasis is placed on comparing the different grammatical systems of the world's languages, and students are encouraged to practice the analyses through a diverse range of problem sets and exercises. Topics covered include word order, constituency, case,

agreement, tense, gender, pronoun systems, inflection, derivation, argument structure and grammatical relations, and a useful glossary provides a clear explanation of each term. Accessibly written and comprehensive, *Analyzing Grammar* is set to become a key text for all courses in grammatical analysis.

"John Hunt was a Wesleyan missionary in Fiji for just a decade, 1839-1848. Nevertheless his work was of such

impact that he ensured the eventual conversion of the Fijians to Christianity. [This book] examines Hunt's upbringing and training in England, his marriage to Hannah Summers and their time of missionary work in Fiji. Surrounded constantly by the vitality and prosperity of a warlike yet welcoming people, Hunt introduced Western ideals of education and medicine together with the religious and ethical principles of Christianity. His theological forms of

education in Fiji as well as his many translations, including the first Fijian New testament, are enduring testimonies to his work."--Back cover.

Anhonee ko honee karna hamara kaam hai.' (It is our job to make the impossible possible.) The sentence leading into the title song of the blockbuster film *Amar Akbar Anthony* sums up the magic of Manmohan Desai, the master entertainer whose desire

to please his public made his name synonymous with success during much of his career in popular Hindi cinema from 1960 to 1988. In *Enchantment of the Mind: Manmohan Desai's Films*, Connie Haham delves into the director's work and analyses some of his cinematic signatures - speed, fun, adventure and delight, alongside a devotion to motherhood and a stance in favour of inter-religious harmony. His cinema is fondly remembered for its many catchy tunes and the

characters brought to life by leading stars, from Raj Kapoor to Amitabh Bachchan. Lending extra magic to this book is Manmohan Desai's own account of a life dedicated to cinema - a medium he wielded artfully to depict both struggle and an affirmation of life.
