Max has been married to Tina for twenty-five years. She is the love of his life, but now he must come to terms with the fact that she is to spend a year away on a work assignment—away, for the

first time, from their home, their children and their life together. Her absence leaves him feeling like an Odysseus in reverse: he stays put while his Penelope goes out into the world. Max, alone with his three teenage sons for the first time, is left contemplating life and the daily routine of the little bar of which he is the proprietor. As he spends more time with the regulars their problems begin to become his own. This new novel by Alex Capus is a hymn to trust, friendship and life's small pleasures. Told with his trademark humor, *Life is Good* is a novel about finding contentment in rootedness as the world speeds up. He has left each of them a clue to their true heritage, and Star's clue leads her to an antiquarian bookshop in London, and the start of a new journey. A hundred years earlier, headstrong

and independent Flora MacNichol vows she will never marry. She is happy in her home in England's picturesque Lake District—just a stone's throw away from her childhood idol, Beatrix Potter. But when circumstances carry her to London, and into the home of one of Edwardian England's most notorious society hostesses, Alice Keppel, she finds herself a pawn in a larger game; forced to choose between passionate love and duty to her family. That is, until a meeting with a mysterious gentleman reveals answers Flora has been searching for... Star's voyage of discovery takes her deep into Flora's remarkable story, and into her own past. But the more she uncovers, the more Star begins to question herself, and her place in the world. Ideal for fans of *Downton Abbey* and the historical fiction of Kate Morton and Kristin Hannah, *The Shadow Sister* is the "perfect curl-up-in-an-armchair read" (Daily Mail) for anyone who wants to travel through the lush English countryside and explore the lives and loves of the British aristocracy.
