*Aqa Chemistry for Gcse. Revision Guide* Hodder Education

Target Science (Modular Science AQA) is a series of three science books designed to fit the AQA Examination Board syllabus/specification Modular Science. It has been created from the Target Science series - and includes essentially the same content. It is presented in a different order to satisfy the specific AQA Modular Science examination. The text is designed for students typically studying for public examinations at age 16+. It is aimed at the average/below average student. The text is organised in double-page spreads and designed to be as accessible as possible. There is a much higher proportion of 'open space' used to help lower ability students. The reading level has been closely controlled and the amount of text restricted. Glossaries of new terms are provided at the end of each module. Multiple-choice and examination-style questions are included.

AS Chemistry for AQA Hodder Education

This guide covers all the exam-assessed content on the AQA Chemistry specification. It is designed

to help students get the most out of their revision. Information is broken down into manageable chunks, key words and phrases are highlighted for last minute recaps and higher tier material is clearly differentiated on the page.

**AQA A-Level Chemistry Workbook 2: Year 2** Hodder Education

This ultimate study guide with in-depth GCSE course coverage is all you need for exam success. Revise GCSE Physics has everything you need to achieve the GCSE grade you want. It is written by GCSE examiners to boost learning and focus revision.

**Chemistry Workbook** Letts and Lonsdale

Intended for use alongside the GCSE AQA Chemistry revision guide, this workbook includes further practice questions to test understanding and consolidate understanding. The workbook matches the revision guide page for page for quick and easy reference.

*AQA GCSE 9-1 Chemistry All-In-One Complete Revision and Practice: for the 2020 Autumn and 2021 Summer Exams (Collins GCSE Grade 9-1 Revision)* Philip Allan
