BABADADA black-and-white, español - Español de América Latina, diccionario visual - diccionario visual BoD - Books on Demand

The audience for this dictionary includes medical professionals working in multilingual environments; global health professionals in tourist areas; professionals in public health, humanitarian medicine, emergency disaster management, rescue teams and above all, frequent travellers disposed to any kind of danger or health risk and

therefore in the need of medical assistance while in some foreign speaking country. In emergency situations even small misunderstandings can lead to the loss of valuable time and consequently lives, therefore this English-Spanish dictionary is created in very practical time-saving and easy-to-understand way for both medical professionals and their patients. Instead of one classical A to Z alphabetical order, it consists of over 3000 medical terms divided to several topics where terms regarding each topic are organized alphabetically. The topics start from very

basic subjects of numbers and orientation and proceed with terminology concerning accidents and disasters, parts of the human body, injuries, symptoms and diseases, pharmacy, medical facilities, medical procedures, diagnostics, pregnancy and obstetrics. Este diccionario medico ingles-espanol proporciona de forma breve, clara y suficiente unos 3000 terminos medicos que cubren orientacion en el tiempo y espacio; accidentes y catastrofes; partes del cuerpo humano; sintomas, heridas y enfermedades; farmacia; facilidades medicas, procedimientos y asistencia medica; exámenes medicos;

embarazo y obstetricia. BABADADA black-and-white, Español de México con articulos - español, el diccionario visual - diccionario visual BoD - Books on Demand BABADADA dictionaries are visual language education: Simple learning takes center stage. In a BABADADA dictionary images and language merge into a unit that is easy to learn and remember. Each book contains over 1000 black-and-white illustrations. The goal is to learn the basics of a language much faster and with more fun than possible with a complicated text dictionary. This book is based on the very successful online picture dictionary BABADADA.COM, which offers easy language entry for countless

language combinations
- Used by thousands of
people and approved
by well-known
institutions. The
languages used in this
book are also called as
follows: Koreanisch,
coréen, coreano,
