KASSANDRA ALBERT

Wishful Thinking Walter de Gruyter

How do you ditch your Fairy Godmother? The Swann Sisters Chronicles, Book 1 As her 25th birthday approaches, mild-mannered Philomena Swann lives in terror of her annual birthday wish. Sure, she has a disinterested fiancé and a misogynistic boss, but from experience she knows wishing both away could result in disaster. Why? Because she and her sisters are one-eighth fairy. Not enough to give them magical powers, but enough to qualify for a fairy godmother-from hell. All Phil wants is, just once, to have the courage to speak her mind. She blurts out her wish...and suddenly finds she can't stop. To her friends. Her boss. Her Nana. And her best friend, hot and hunky co-worker, Josh. Before she can do any more damage, she begs for the spell to be reversed. And it is—with a vengeance. Now everyone else is compelled to tell her the truth. Including Josh. But the fairy godmother's not done. One more wish could change Phil's world forever—if it doesn't ruin

her life first. Warning: Hot book-erotic sex.

Wishful Thinking Harcourt School Publishers

In *Wishful Thinking*, Frederick Buechner puts the language of God, the Universe and the human spirit under his wry linguistic microscope. In his open ironic reflections on such terms as envy, love and sin, he invites us to look at these words in new and enlightening ways.

Wishful Thinking, Advanced Reader Grade 6, 5pk Open Road + Grove/Atlantic

The animals at the zoo discover the power of having all their wishes come true and the Penguins go on a recovery mission when Kowalski's blueprint for a new weapon is mistaken for an abstract painting.

Genie and Teeny: Wishful Thinking (Genie and Teeny, Book 2) Vintage

Jennifer Sharpe is a divorced mother of two with a problem just about any working parent can relate to: her boss expects her to work as though she doesn't have children, and her children want her to care for them as though she doesn't have a boss. But when, through a fateful coincidence, a brilliant physicist comes into possession of Jennifer's phone and decides to play fairy godmother,

installing a miraculous time-travel app called *Wishful Thinking*, Jennifer suddenly finds herself in possession of what seems like the answer to the impossible dream of having it all: an app that lets her be in more than one place at the same time. With the app, Jennifer goes quickly from zero to hero in every part of her life: she is super-worker, the last to leave her office every night; she is super-mom, the first to arrive at pickup every afternoon; and she even becomes super-girlfriend, dating a musician who thinks she has unlimited childcare and a flexible job. But Jennifer soon finds herself facing questions that adding more hours to her day can't answer. Why does she feel busier and more harried than ever? Is she aging faster than everyone around her? How can she be a good worker, mother, and partner when she can't be honest with anybody in her life? And most important, when choosing to be with your children, at work, or with your partner doesn't involve sacrifice, do those choices lose their meaning? *Wishful Thinking* is a modern-day fairy tale in which one woman learns to overcome the challenges—and appreciate the joys—of living life in real time.

Wishful Thinking Penguin

'*Wishful Drinking* is a touching and incisive account of bipolarity, addiction and motherhood.'

Independent 'No motive is pure. No one is good or bad – but a hearty mix of both. And sometimes life actually gives to you by taking away.' Carrie Fisher in *Wishful Drinking* In *Wishful Drinking*, Carrie Fisher told the true and intoxicating story of her life with inimitable wit. Born to celebrity parents, she was picked to play a princess in a little movie called *Star Wars* when only 19 years old. "But it isn't all sweetness and light sabres." Alas, aside from a demanding career and her role as a single mother (not to mention the hyperspace hairdo), Carrie also spends her free time battling addiction and weathering the wild ride of manic depression. It's an incredible tale: from having Elizabeth Taylor as a stepmother, to marrying (and divorcing) Paul Simon, and from having the father of her daughter leave her for a man, to ultimately waking up one morning and finding a friend dead beside her in bed. Carrie Fisher's star-studded career included roles in numerous films such as *The Blues Brothers* and *When Harry Met Sally*. She was the author of four bestselling novels, *Surrender in the Pink*, *Delusions of Grandma*, *The Best Awful* and *Postcards from the Edge*, which was made into a hit film starring Shirley MacLaine and Meryl Streep. Carrie's experience with addiction and mental illness – and her willingness to talk honestly about them – made her a sought-after speaker and respected advocate. She was truly one of the most magical people to walk among us. Further praise for Carrie Fisher:- [Shockaholic] is the finest, funniest chronicler of the maddest celebrity mores.' *Sunday Times* 'Fisher has a talent for lacerating insight that masquerades as carefree self-deprecation' *Los Angeles Times* 'She is one of the rare inhabitants of La-La Land who can actually write' *New York Times*

James Howard Kunstler's critically acclaimed and bestselling *The Long Emergency*, originally published in 2005, quickly became a grassroots hit, going into nine printings in hardcover. Kunstler's shocking vision of our post-oil future caught the attention of environmentalists and business leaders alike, and stimulated widespread discussion about our dependence on fossil fuels and our dysfunctional financial and government institutions. Kunstler has since been profiled in *The New Yorker* and invited to speak at TED. In *Too Much Magic*, Kunstler evaluates what has changed in the last seven years and shows us that, in a post-financial-crisis world, his ideas are more relevant than ever. "Too Much Magic" is what Kunstler sees in the bright visions of a future world dreamed up by optimistic souls who believe technology will solve all our problems. Their visions remind him of the flying cars and robot maids that were the dominant images of the future in the 1950s. Kunstler's image of the future is much more sober. With vision, clarity of thought, and a pragmatic worldview, Kunstler argues that the time for magical thinking and hoping for miracles is over, and the time to begin preparing for the long emergency has begun.

Wishful Drinking Simon and Schuster

Accidentally turned into a genie, eleven-year-old Sophie endeavors to maintain a normal life and pursues the object of her crush before developing Random Wish Disorder, which compels her to grant wishes against her will.

Wishful Thinking Lulu.com

If you could have anything, what would you wish for? For broken-hearted Olivia Larsen, nothing can change the fact that her twin sister, Violet, is gone... until a mysterious, beautiful gown arrives on her doorstep. The dress doesn't just look magical; it is magical. It has the power to grant her one wish, and the only thing Olivia wants is her sister back. With Violet again by her side, both girls get a second chance at life. And as the sisters soon discover, they have two more dresses and two more wishes left. But magic can't solve everything, and Olivia is forced to confront her ghosts to learn how to laugh, love, and live again.

THE QUEEN OF FEEL-GOOD FICTION! 'Every time you discover a new Milly book, it's like finding a pot of gold – and this gem is no exception ... laughs, drama, romance and high jinks aplenty, there's nothing about this novel not to love (5 stars)' Heat When Lewis Harley has a health scare in his early forties, he takes it as a wake-up call. So he and his wife Charlotte leave behind life in the fast lane and Lewis opens the antique shop he has dreamed of. Bonnie Brookland was brought up in the antiques trade and now works for the man who bought out her father's business, but she isn't happy there. So when she walks into Lew's shop, she knows this is the place for her. As Bonnie and Lew start to work together, they soon realise that there is more to their relationship than either thought. But Bonnie is trapped in an unhappy marriage, and Lew and Charlotte have more problems than they care to admit. Each has secrets in their past which are about to be uncovered. Can they find the happiness they both deserve? The Queen of Wishful Thinking is the brand new novel from the *Sunday Times* bestselling author of *The Teashop on the Corner* - a gorgeous read full of love, life and laughter. 'A glorious, heartfelt novel' ROWAN COLEMAN 'Absolutely loved it. Milly's writing is like getting a big hug with just the right amount of bite underneath. I was rooting for Bonnie from the start' JANE FALLON, bestselling author of *My Sweet Revenge* Praise for Milly Johnson: 'Bursting with warmth and joie de vivre' JILL MANSELL 'Warm, optimistic and romantic' KATIE FFORDE

Myths and wishful thinking as management tools AuthorHouse

If you could wish for a different life, would you? What if that life changed everything you thought was real? Adopted as a baby, Hazel Hayes has always been alone. She's never belonged anywhere--and has always yearned to know the truth about where she comes from. So when she receives three stunning, enchanted dresses--each with the power to grant one wish--Hazel wishes to know her mother. Transported to a time and place she couldn't have imagined, Hazel finds herself living an alternate life--a life with the mother she never knew. Over the course of one amazing, miraculous summer, Hazel finds her home, falls in love, and forms an unexpected friendship. But will her search to uncover her past forever alter her future? In the heart-pounding,

luminous sequel to *WISH*, Alexandra Bullen asks the question: If you could wish for a new life . . . would you?

Sun in a Bottle Puffin Books

This book is a crash course in effective reasoning, meant to catapult you into a world where you start to see things how they really are, not how you think they are. The focus of this book is on logical fallacies, which loosely defined, are simply errors in reasoning. With the reading of each page, you can make significant improvements in the way you reason and make decisions. Logically Fallacious is one of the most comprehensive collections of logical fallacies with all original examples and easy to understand descriptions, perfect for educators, debaters, or anyone who wants to improve his or her reasoning skills. "Expose an irrational belief, keep a person rational for a day. Expose irrational thinking, keep a person rational for a lifetime." - Bo Bennett This 2021 Edition includes dozens of more logical fallacies with many updated examples.
