now a major motion picture directed by Gus Van Sant (My Own Private Idaho, Good Will Hunting, and Milk) It was an accident. He didn't mean to kill the security guard with his skateboard—it was self-defense. But there's no one to back up his story. No one even knows he was at Paranoid Park.

Should he confess, or can he get away with it? It's an ethical question no one should have to answer. Writing more intensely than ever before, Blake Nelson delivers a film noir in book form, complete with interior monologue and dark, psychological drama. This is a riveting look at one boy's fall into a world of crime, guilt, and fear—and his desperate attempt to get out again.

"One of the best-loved scriptures in the world, the Bhagavad Gita has been translated by many scholars and poets over thousands of years. This new version, rendered in modern english prose by Swami Kriyananda, is based on the interpretations of his Guru, Paramhansa Yogananda, author of Autobiography of a Yogi." "The Gita is the heroic story of the battlefield counsel given by Krishna to Arjuna just prior to the start of a great war. Responding to Arjuna's moral dilemma over fighting against his beloved friends, family, and teachers, Krishna advises Arjuna on his duties as a warrior. Yogananda's insights reveal that The Gita is in fact a spiritual allegory, and that each character in the story symbolizes psychological traits and aspects of our own consciousness. As Arjuna looks upon the warriors on the battlefield, he is really facing his own inner battle between the forces of delusion and the forces of Spirit within. Krishna's advice to Arjuna on how to win the battle - using yogic tools of devotion, selfless service, and spiritual discrimination - gives each of us the guidance we need to move forward in dharma (right-action) in every material or spiritual test that life may bring."--BOOK JACKET.

Hurry Down Sunshine The O'Brien Press

At the age of 15, during one long and difficult summer, Michael Greenberg's daughter, Sally, was struck mad. Her visionary crack-up occurred on the streets of Greenwich Village and continued, among other places, in the lost-in-time world of a Manhattan psychiatric ward during New York City's most sweltering months. Hurry Down Sunshine is Greenberg's journey toward comprehending mental illness in his own family. With touching honesty and intimacy, he reveals the effect of Sally's mania on those closest to her, including her easygoing brother, her stalwart grandmother, her new-

age mother, her artistic, loving stepmother—and, finally, on himself. Unsentimental, nuanced and deeply humane, Hurry Down Sunshine is a transcendent memoir about mental illness and the restorative power of one father's love for his daughter.

Outcast Rider

Amid the turmoil of modern Damascus, one teenage boy finds his political voice in a message of rebellion that echoes throughout Syria and as far away as Western Europe. Inspired by his dearest friend, old Uncle Salim, he begins a journal to record his thoughts and impressions of family, friends, life at school, and his growing feelings for his girlfriend, Nadia. Soon the hidden diary becomes more than just a way to remember his daily adventures; on its pages he explores his frustration with the government injustices he witnesses. His courage and ingenuity finally find an outlet when he and his friends begin a subversive underground newspaper. Warmed by a fine sense of humor, this novel is at once a moving love story and a passionate testimony to the difficult and committed actions being taken by young people around the world.

The Biophilia Effect John Wiley & Sons

This central collection by the poet, dramatist, and Nobel laureate Nelly Sachs—newly translated from the German by Joshua Weiner (with Linda B. Parshall)—reveals the visionary poet's remarkable power of creation and transformation So far out, in the open, cushioned in sleep. In flight from the land with love's heavy luggage. A butterfly-zone of dreams like an open parasol held up against the truth. Flight and Metamorphosis marks the culmination of Nelly Sachs's development as a poet. Sachs, who was awarded the Nobel Prize in Literature in 1966, speaks from her own condition as a refugee from Nazi Germany—her loneliness while living in a small Stockholm flat with her elderly mother; her exile, her alienation, her feelings of romantic bereavement; and her search for the divine. Forced onto a journey of endless change, Sachs created her own path forward. From these sublime poems, she emerges as a visionary, one who harnesses language's essential power to create and transform our world. Joshua Weiner's translations (with Linda B. Parshall) are the first in more than half a century to elucidate Sachs's enduring poetic power and relevance.

Heart's Delight Simon and Schuster

The founders and forerunners of the Southern Baptist Convention were fundamentally shaped by the thought of Puritan theologian Jonathan Edwards and his theological successors. While Baptists in the antebellum South boasted a different theological pedigree than Presbyterians or Congregationalists, and while they inhabited a Southern landscape unfamiliar to the bustling cities and tall forests of New England, they believed their similarities with Edwards far outweighed their differences. Like Edwards, these Baptists were revivalistic, Calvinistic, loosely confessional, and committed to practical divinity. In these four things, Southern Edwardseanism lived, moved, and had its being. In the nineteenth-century, when so many Presbyterians scoffed at Edwards's "innovation" and Methodists scorned his Calvinism, Baptists found in Edwards a man after their own heart. By 1845, at the first Southern Baptist Convention, Southern Edwardseans had laid the groundwork for a convention marked by the theology of Jonathan Edwards.

In 1933, when she is ten, Berliner Inge Deutschkron learns that she is a Jew. At first her family is at greater risk for their leftist politics than because they are Jews. Her father flees to England; Inge and her mother hide in plain sight as non-Jews, dependent on the underground network for their survival, in constant danger of discovery or betrayal. Otto Weidt employed Inge in the office of his workshop for the blind. Toward the end of the war, Inge and her mother manage to leave Berlin, and eventually emigrate to England. Inge Deutschkron became an Israeli citizen and an editor of *Maariv*. "One of the greatest successes of German memoir literature" - Andreas Platthaus, *Frankfurter Allgemeine* ..". invaluable as testimony of the war years of one of Berlin's 12,000 surviving Jews." - Kirkus Reviews "[A] simple and charming memoir by a Jewish woman of how she survived as a girl in her late teens in wartime Berlin... Unsentimental, resilient and aware that luck can make all the difference, Inge Deutschkron... has remained a true Berliner." - Istvan Deak, *The New York Review of Books*

Selected poems from a Nobel laureate Seamus Heaney had the idea to make a personal selection of

poems from across the entire arc of his writing life, a collection small yet comprehensive enough to serve as an introduction for all comers. He never managed to do this himself, but now, finally, the project has been returned to, resulting in an intimate gathering of poems chosen and introduced by the Heaney family. No other selection of Heaney's poems exists that has such a broad range, drawing from the first to the last of his prizewinning collections. In 100 Poems, readers will enjoy the most loved and celebrated poems, and will discover new favorites. It is a singular and welcoming anthology, reaching far and wide, for now and for years to come.

Flight and Metamorphosis Bantam

The gentle melancholy of two people coming together in a way which can never lead to full satisfaction, the quiet tragedy of a separation not forced by external powers but by the constant pressure of circumstances-this is what sounds through this splendid story. "Trials and Tribulations" is built entirely on this motive. An honest sturdy young officer and a decent pretty girl get to know each other on an excursion. Unconsciously they drift into a relation where heart meets heart, the breaking of which causes the deepest pain. But both see clearly from the beginning that there is no other end. For they know that the world is stronger than the individual, and the many small moments than the one supreme. They know it, for they are, like their creator, resigned realists. They shut their eyes only in order not to see the end too near. (Richard M. Meyer)---The interest of Fontane's novels lies rather in character than in action. While he portrays many types characteristic of Berlin and the surrounding region, and is very successful in rendering local color and the atmosphere of the particular circle described in each book, his penetration into universal human nature is sufficiently deep to raise him far above provincialism. His effort is to represent people vividly and naturally in their normal relations, not to strain after sensational or even dramatic situations. "Trials and Tribulations" ("Irrungen Wirungen", 1887) gives an excellent idea of his power. In a gently moving story, told without the forcing of emotion or the contriving of exciting scenes, he deals with the pathos of the relation between a man and a woman, alike in an attractive simplicity of character, but forced apart by difference of rank. The situation is laid before us without expressed censure or protest, and is allowed to have its effect by the sober truth of its presentation. Fontane's is an honest and sincere art, none the less great because unpretentious. (W.A.N.)

Based on a true story, this haunting tale centers on two brutal murders--the first of a local forester and the second of a Jewish moneylender near a beech tree--and the impact these events have on the life of Friedrich Mergel, a herdsman with a turbulent family history. A prototype of the murder mystery and a thoughtful examination of village society, this intriguing novella contains hints of the Gothic and the uncanny, including ominous thunderstorms, mysterious disappearances, eerie doppelgangers and grizzly discoveries, as well as a famously ambiguous climax.
