HURLEY DOWNS

Sacred Sexual Healing Llewellyn
Worldwide Limited

A step-by-step guide to the ancient tradition of sex magic as practiced by generations of Celtic Druids • Details a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners • Explains how to channel, intensify, and project your sexual energy

for magical purposes • Provides instructions for crafting the necessary ritual tools, including wands, chalices, cauldrons, and attire, and for brewing the potions that accompany these rites One of the Druid's most powerful tools, sex magic harnesses and projects the immense natural energy produced by orgasm to liberate your consciousness from everyday awareness and influence reality at will. With more than 50 years in the Druidic tradition, Jon Hughes reveals the fundamentals of Celtic sex magic passed down secretly from generation to

generation. He explains how to channel, intensify, and project your sexual energy for magical purposes and offers authentic instructions for a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners. In addition to the steps of preparation and closure for each ritual, he describes the workings of the 9 stages of the sex magic ritual--Awakening, Augmentation, Intensification, Quickening, Orgasm and Projection, Continuance, Relaxation, Scattering, and Gift. Hughes provides detailed instructions for crafting and

consecrating the necessary ritual tools, including wands, chalices, and cauldrons, and for brewing the potions that accompany these rites. He also explores the power of emotion and intention in these sacred rituals, providing a complete guide to this ancient path of empowerment and magic.

Sexual Practices of the Druids Llewellyn Worldwide

The classic guide to living a spiritual life rooted in Celtic antiquity and revived to meet the challenges of contemporary life. Druidry offers people a path of harmony through reconnection with the green Earth. The *Druidry Handbook* is the first hands-on manual of traditional British druid practice that explores the Sun Path of seasonal celebration, the Moon Path of meditation, and the Earth Path of living in harmony with nature as tools for crafting an Earth-honoring life here and now. From ritual and meditation to nature awareness and ecological action, John Michael Greer opens the door to a spirituality rooted in the living Earth. Featuring a mix of philosophy, rituals, spiritual practice, and lifestyle issues, *The Druidry Handbook* is an essential guide for those seriously

interested in practicing a traditional form of druidry. It offers equal value to eclectics and solitary practitioners eager to incorporate more Earth-based spirituality into their own belief system.

Love, Sex, and Awakening Univ of California Press

In this provocative book, Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic. Drawing extensively on Jewish myth and ritual, Segol tells the powerful story of the relationship between the divine and the human body in late antique Jewish esotericism, in medieval kabbalah, and in New Age ritual practice. *Kabbalah and Sex Magic* traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some forms of Western sex magic. Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium, Persia, Iberia, and southern France, Segol argues that in its fully developed medieval form, kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction. She situates in cultural and

historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them, arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it. Segol explores the rituals acting on these models, attending especially to their inherent erotic power, and ties these to contemporary Western sex magic, showing that such rituals have a continuing life. Asking questions about its cosmology, myths, and rituals, Segol poses even larger questions about the history of kabbalah, the changing conceptions of the human relation to the divine, and even the nature of religious innovation itself. This groundbreaking book will appeal to students and scholars of Jewish studies, religion, sexuality, and magic.

Eros and the Mysteries of Love Simon and Schuster

Dear reader "Sexual Magic" is a powerful book that contains some of the most effective magical formulas, rescued from ancient grimoires and used since archaic times by black magicians, who made use

of them in order to start the mysterious world of "Black Art" or Sexual Magic, explained in a simple way and with the intention of teaching the practitioner, the dark art of stimulating and sexually attracting the desired person!

The Art of Sexual Ecstasy Lulu.com

It is a widespread prejudice of modern, scientific society that "magic" is merely a ludicrous amalgam of recipes and methods derived from primitive and erroneous notions about nature. Eros and Magic in the Renaissance challenges this view, providing an in-depth scholarly explanation of the workings of magic and showing that magic continues to exist in an altered form even today. Renaissance magic, according to Ioan Couliano, was a scientifically plausible attempt to manipulate individuals and groups based on a knowledge of motivations, particularly erotic motivations. Its key principle was that everyone (and in a sense everything) could be influenced by appeal to sexual desire. In addition, the magician relied on a profound knowledge of the art of memory to manipulate the imaginations of his subjects. In these respects, Couliano suggests, magic is the

precursor of the modern psychological and sociological sciences, and the magician is the distant ancestor of the psychoanalyst and the advertising and publicity agent. In the course of his study, Couliano examines in detail the ideas of such writers as Giordano Bruno, Marsilio Ficino, and Pico della Mirandola and illuminates many aspects of Renaissance culture, including heresy, medicine, astrology, alchemy, courtly love, the influence of classical mythology, and even the role of fashion in clothing. Just as science gives the present age its ruling myth, so magic gave a ruling myth to the Renaissance. Because magic relied upon the use of images, and images were repressed and banned in the Reformation and subsequent history, magic was replaced by exact science and modern technology and eventually forgotten. Couliano's remarkable scholarship helps us to recover much of its original significance and will interest a wide audience in the humanities and social sciences.

Kabbalah and Sex Magic Lo Scarabeo

Famed tantric practitioner and teacher Margot Anand has led a life of spiritual bliss and erotic ecstasy. This book

recounts the fascinating adventures, turning points, and breakthroughs on her path from sex to awakening, and it includes techniques and exercises to help you connect to the powerful energy of the erotic spirit.

Sex Magic Feral House

An inside look at sex magic in Eastern and Western Mystery traditions • Details the sex magic practices of P. B. Randolph, Aleister Crowley, Austin Osman Spare, Julius Evola, and Maria de Naglowska • Includes a complete overview of love magic in the Middle Ages, with accounts of the use of potions, powders, spells, and enchantments • Explores sex magic techniques of the East, including Taoist sexual alchemy Magic, almost in its entirety, is connected to sexuality. It is through the natural magic of love that sex magic operates, harnessing the forces that join lovers together. In this extensive study of sex magic in the Eastern and Western Mystery traditions, Sarane Alexandrian explains how there is a sex magic connected with every religion, spiritual belief system, and initiatory society. Exploring sexual practices in folk magic, high magic, alchemy, and religion,

the author begins with a complete overview of love magic in the Middle Ages, including accounts of the use of potions, powders, spells, and enchantments, and he reveals how these techniques related to the religious practices of the time. He introduces the Taoist sexual alchemy practices of Mantak Chia, the secret tantric practices of the Tibetan bongs, sexual shiatsu, and a Vietnamese practice called "mouth moxa." Examining the sacred sexuality that arose in Western initiatory orders in the late 19th and early 20th centuries, Alexandrian details the development of P. B. Randolph's white sexual magic and the black sexual magic of Aleister Crowley, as well as explaining the practices of Austin Osman Spare, Julius Evola and the Ur Group, and Maria de Naglowska. He reveals the scientific principles underlying sex magic and how successful results are guaranteed by the influences of the heavenly bodies and the radiant powers of color, number, scents, and physical movements, which intensify the activity of the human bioelectric field. Alexandrian also details the tantra practices of Margot Anand, the sexual rituals of Wicca, and magical "sex aids,"

including talismans and jewels. Providing complete practical information, the author explains how, through sex magic, a couple can extract from each other what they are missing by way of virility and femininity, multiplying their energies tenfold and merging the carnal and spiritual worlds to experience transcendent adventures in the deepest depths of reality.

Sexual Sorcery Routledge

- The secret sexual energy practices of Toltec-Mayan shamans revealed at last.
- The author studied with don Juan Matus and the same circle of Nagual sorcerers who taught Carlos Casteneda.
- Offers specific step-by-step instructions for mastering the ancient sexual techniques that lead to spiritual transformation.

Readers of Carlos Casteneda have often complained that his work in ancient Meso-american shamanism never covered sexual practices beyond celibacy. With his death in 1998 it seemed that these practices might never be revealed, but fortunately Marilyn Tunneshende has stepped in. Set against the backdrop of the golden deserts of Sonora, Mexico, Don Juan and the Art of Sexual Energy recounts Tunneshende's initiation into the ancient

sexual energy practices of the Toltec-Mayan tradition. Under the tutelage of don Juan Matus, Chon Yakil (whom Casteneda referred to as Don Genaro), and dona Celestina de la Soledad, she learns to reclaim her feminine power and balance the masculine and feminine forces within herself. At the heart of the book is the mythical Rainbow Serpent: the phallic energy within women, the creative power within men. Each chapter focuses on a particular technique for awakening the serpent and connecting with its energy. Twenty-two sequential practices are covered, providing a powerful program for serious spiritual transformation.

A Midsummer-night's Dream Llewellyn Worldwide

In the first comprehensive and unflinching overview of the erotic initiation and sexual sorcery essential to the mysterious magical tradition known as the 'Left Hand Path', this complete guide covers an enormous array of taboo and previously forbidden practices. Penetrating the veil of secrecy and obscuring the ecstasies and dangers of a way of magic that can be a powerful instrument of psychic transmutation, this is a sometimes

disturbing, always inspiring study of the shadow side of eros.

The Art Of Seduction Piatkus Books

Interrogating the magic-gender connection / Kimberly B. Stratton -- From goddess to hag: the Greek and the Roman witch in classical literature / Barbette Stanley Spaeth -- "The most worthy of women is a mistress of magic": women as witches and ritual practitioners in I Enoch and rabbinic sources / Rebecca Lesses -- Gendering heavenly secrets?: women, angels, and the problem of misogyny and "magic" / Annette Yoshiko Reed -- Magic, abjection, and gender in Roman literature / Kimberly B. Stratton -- Magic accusations against women in Tacitus's Annals / Elizabeth Ann Pollard -- Drunken hags with amulets and prostitutes with erotic spells: the re-feminization of magic in late antique Christian homilies / Dayna S. Kellers -- The bishop, the pope, and the prophetess: rival ritual experts in third century Cappadocia / Ayşe Tuzlak -- Living images of the divine: female theurgists in late antiquity / Nicola Denzley Lewis -- Sorceresses and sorcerers in early Christian tours of Hell / Kirsti Barrett Copeland -- The social context of women's

erotic magic in antiquity / David Frankfurter -- Cheating women: curse tablets and Roman wives / Pauline Ripat -- Saffron, spices, and sorceresses: magic bowls and the Bavli / Yaakov Elman -- Victimology, or: how to deal with untimely death / Fritz Graf -- A Gospel amulet for Joannia (P. Oxy. VIII 1151) / Annemarie Luijendijk.

Magia Sexualis Profile Books

Magic and sexuality have been linked together since prehistoric times. In the West sexual magic rituals were practiced by various Gnostic sects. The practice of sexual magic uses the energy generated by orgasm to achieve the desired magic result. The energy produced by sexuality is one of the most powerful forces possessed by human beings and can be exploited to obtain a condition of transcendence with respect to the normal perception of reality.

Sex, Sorcery, and Spirit Llewellyn Publications

Shortlisted for the Modernist Studies Association Book Prize Statue-fondlers, wanderlusts, sex magicians, and nymphomaniacs: the story of these forgotten sexualities—what Michel

Foucault deemed “minor perverts”—has never before been told. In *The Book of Minor Perverts*, Benjamin Kahan sets out to chart the proliferation of sexual classification that arose with the advent of nineteenth-century sexology. The book narrates the shift from Foucault’s “thousand aberrant sexualities” to one: homosexuality. The focus here is less on the effects of queer identity and more on the lines of causation behind a surprising array of minor perverts who refuse to fit neatly into our familiar sexual frameworks. The result stands at the intersection of history, queer studies, and the medical humanities to offer us a new way of feeling our way into the past.

The Sexual Ecstasy Workbook Weiser Books

A unique blend of sex magic and the Law of Attraction, this easy-to-use and practical book shows you how to use sexual energy to get anything you want. Sex Magic for Beginners University of Chicago Press

Sexuality is one of the keys to magick. In this book, first published in 1988, Katon Shual presents some of the secrets of sexual gnosis within western magick - a system that is often misunderstood. The book begins with a look at the revival of sexual magick in the early part of the 20th century, especially within the ranks of the Hermetic Order of the Golden Dawn and some of the post Golden Dawn magical groups such as Aleister Crowley's Thelemic cult. The book goes on the look at the modern fusion of western Hermetic and eastern Tantrik sexual gnosticism. On the way it discusses in a progressive manner gay, straight and solitary sexual

magick. The book goes on to introduce the ancient deity Seth as an archetype of the sexual magician. The book includes an unpublished grimoire of sexual magick, as well as several other unusual sources, including an authoritative exploration of the chakra system, a magical approach to kundalini and an introduction to the relationship between the sacred sexuality and the external landscape. 'Makes the subject of sexual magick accessible and lucid and above all relevant to contemporary magical practice' - Phil Hine reviewing in Talking Stick magazine body magick cover art and insides by michael r goss

Daughters of Hecate Oxford University Press, USA

New edition of the best-selling guide to transforming sexuality and orgasm through sacred ritual and ancient techniques. The New Art of Sexual Ecstasy opens the way to a new stage of fulfillment and bliss, making the sacred lovemaking techniques of the East available to Western readers and extending sensual experience for everyone. This landmark book on human sexuality provides simple techniques that

help readers to discover new sexual experiences, combining physical pleasure with intense emotional and spiritual joy. Includes a wide range of practical ways to enhance sexual pleasure and deepen intimacy, including massage, visualisation, breathing, ritual, movement and fantasy. The sexual secrets outlined in this book include: * how to prolong pleasure * how to extend orgasms so it becomes a whole body experience * how to recover sexual sensation * how to have a multiple orgasm - for men and women * how to increase arousal and extend the sexual experience. Also included are many innovative sexual positions for versatility and compatibility. The emphasis in the book is on transforming sexuality beyond the merely physical, making it a truly spiritual experience. This book is ideal for anyone looking to bring spirituality back into sex, using it to bring the body and soul into union to discover a whole new experience.

The Great Work of the Flesh Weiser Books

Chances are that you've heard of Tantra and Taoist sexual practices. Now, as a result of studying the inner mysteries of alchemy, Donald Tyson presents a

Western system of sacred sexuality in Sexual Alchemy. Here you will learn how to have erotic relationships with loving spirits. That means the methods presented here can function as a Western alternative to Eastern sexual practices. They also can be used by a solitary person and need not depend upon the participation of a partner. The first part of this book presents a history of sex with spirits. It also goes into the secrets of Eastern internal alchemy and how the books of Western alchemy often made secretive references to sexual magick. You will also learn how to create a physical representation of the spirit you are going to use as a partner. The second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself. This includes techniques of diet, exercise, breathwork, banishings, purifications, and finally, an invocation ritual to summon the spirit who is going to be your lover! Then you will learn the previously hidden secrets of having sex with a spirit lover. You'll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a

fantasy. And then, when you have accomplished your ritualized mating, you will learn how to collect and use the resulting, highly charged fluids for magical purposes. Everything we are, everything we have, is a gift from the Divine. Doesn't it make sense that we use all of our abilities to honor the source from which they came? That means we can even make use of our sensual natures to honor the Gods. If you want to follow a system based on western traditions, this book can be your guide.

The Sacred Sex Rites of Ishtar

University of Chicago Press

Shows couples how to increase their physical and spiritual energy during sex and channel it into their professional lives, using a series of exercises based on ancient rituals. By the author of *The Art of Sexual Ecstasy*.

Sexual Magic Destiny Books
