This is a story of overcoming limitations and finding success. The story tells the tale of Tucker, an older and smaller snowplow who rescues two young kids who are trapped in the mountains after an avalanche separates them from their parents and the winter lodge. He's an older snowplow, but due to his small size and impressive determination he is able to traverse difficult terrain which newer and larger snow plows can't access. He must find the kids, Eliza and Graham, and bring them back to safety.

Violence in Colombia Pearson Deutschland GmbH

"This practical and helpful volume details how clinicians can work through various and common challenges inherent to psychotherapy, whether within the context of individual, marital, or group settings. Chapters draw upon wisdom gleaned from the author's 48 years as a practicing psychiatrist to address topics such as using countertransference for therapeutic purposes; resistance, especially when it needs to be the focus of the therapy; and a prioritization of exploration over explanation and favor working in the here-

and-now. Along with theory and clinical observations, Dr. Gans offers a series of "Clinical Pearls," pithy comments that highlight different interventions to a wide range of clinical challenges. These include patient hostility, the abrupt termination of therapy, treating a couple that's lost compassionate neutrality, and more. In addition to offering advice and strategies for therapists, the book also addresses foundational concerns like the matter of fees in private practice and the virtue of moral courage on the part of the therapist. Written with clarity, heart, and an abundance of clinical wisdom, *Challenging Moments in Psychotherapy* is essential reading for all clinicians, teachers, and supervisors of psychotherapy"--

More than Ghosts haunt you in his ghost story. Edward Meyer is returning back to his home town after the tragic loss of his wife. This move is rather ironic since it was the tragic loss of his parents that forced him away in the first place. When he returns, he learns a deep family secret that goes beyond the spirits that roam the town. A secret that goes back centuries and involves the Vatican, Knights Templar, and sacred religious relics.
