In celebration of the 35th anniversary of Jim Henson's *The Dark Crystal*, return to the world of Thra in an official sequel to the beloved fantasy film. Discover an all-new race of creatures called Firelings that live in a realm near the planet's core, based on official character designs by Brian Froud. Years have passed since the events of the original film, and though Jen and Kira have ruled Thra as King and Queen, bringing Gelfling back to the land, they have become distracted by power and can no longer feel or see the needs of the world the way they once did. Thurma is a young Fireling tasked with stealing a shard of the Dark Crystal to restore power to her realm. Along the way she'll befriend the young Gelfling Kensho, bring back the Skeksis and Mystics, and embark on one incredible adventure.

Jen and Kira's greatest fear has been realized as the Crystal is broken once more. The evil Skeksis have returned, eager to regain their cruel dominance over the world. But as the Gelfling and Skeksis battle for control of the Crystal Castle, Jen pursues

those responsible for breaking the Crystal. On their own and on the run, Thurma and Kensho must stick together as they journey across the wildlands of Thra if they are to make it to the Fireling home deep beneath the planet's surface. While they come across faces new and old on their quest, they are unaware of the threat following their trail: The Chamberlain. Written by Simon Spurrier (*The Spire*, *X-Men Legacy*) and Phillip Kennedy Johnson (*Warlords of Appalachia*) and lushly illustrated by Kelly and Nichole Matthews (*Toil & Trouble*), *The Power of the Dark Crystal* continues the bestselling sequel to one of Jim Henson's most revered creations.

Jim Henson's The Dark Crystal: Age of Resistance: The Ballad of Hup & Barfinnius Brotherhood of Shadows

Welcome to my fucking world. My name is Kaston Cox and I'm a criminal's worst nightmare. Most people run from darkness, but I live in it, require it, and thrive in the night. Some call me a monster, some a lover of evil, and others, the devil himself, but they're all wrong. I'm just a shadow in the dark. I speak for the innocent when no one else will. Once I have marked you, you better beg for forgiveness, because your time has run out... Revenge is the ultimate wage for evil. Some just can't stomach to do it themselves. That's where I come in. I am the ultimate judge when called upon for justice. I will decide who lives and who dies. Blood may be on my hands, but it's not the blood of the innocent. Remorse is nowhere to be found. I don't give a shit if you understand. I can live with the man I look at every day in the mirror. My soul was tainted the day I was conceived. You think you know me? You have no fucking idea. I am who I am because of what they did to her, and to him. They were my family. This was the only form of restitution he believed in. I owed him everything. I took over the empire he built. This is how I repay him. There was only one rule: never allow emotions to form. Numb and heartless are the only two ways to live. What I never included in the plan...was her. My name is Lux Larsen. My life is as perfect as it can get. I'm a partier, a seductress when it comes to something that I want, and the ultimate sexual con artist. I use my body to get what I want and I'm not ashamed. Designer tags are what I'm after. I love sex. I'm good at it. Fuck double

standards. Guys can do it, well guess what, so can I. I will never be caught back on the other side of the tracks for as long as I live. I left that hellhole years ago. I'll do anything to stay away. You can call me a whore if you want, but I just look at it as I've decided to become a player in a man's game, and I'm a fucking pro at it. Love is for the weak minded. Weak is something I'll never be. I never anticipated the predator that would find me. I'm now his prey...but I'm not sure I can run. The world likes to think that love is only pure, only for those that do good, but what no one considers is when bad has to be done to formulate a different type of good. Two of the most random people can be a perfect match, being placed together like pieces to a puzzle. Being in the wrong place at the right time can be terrifying and it can also be exactly what is supposed to happen, because sometimes...love is born in the dark.

Song of the Dark Crystal #2 HarperCollins UK

Luke Skywalker and Lando Calrissian return in this essential novel set between *Return of the Jedi* and *The Force Awakens*. The Empire is dead. Nearly two decades on from the Battle of Endor, the tattered remnants of Palpatine's forces have fled to the farthest reaches of the galaxy. But for the heroes of the New Republic, danger and loss are ever-present companions, even in this newly forged era of peace. Jedi Master Luke Skywalker is haunted by visions of the dark side, foretelling an ominous secret growing somewhere in the depths of space, on a dead world called Exegol. The disturbance in the Force is undeniable...and Luke's worst fears are confirmed when his old friend, Lando Calrissian, comes to him with reports of a new Sith menace. After his daughter was stolen from his arms, Lando searched the stars for any trace of his lost child. But every new rumor only led to dead ends and fading hopes-until he crossed paths with Ochi of Bestoon, a Sith assassin tasked with kidnapping a young girl. Ochi's true motives remain shrouded to Luke and Lando. For on a junkyard moon, a mysterious envoy of the Sith Eternal has bequeathed a sacred blade to the assassin, promising that it will give him answers to the questions that have haunted him since the Empire fell. In exchange, he must complete a final mission: return to Exegol with the key to the Sith's glorious rebirth-the

granddaughter of Darth Sidious himself, Rey. As Ochi hunts Rey and her parents to the edge of the galaxy, Luke and Lando race into the mystery of the Sith's lingering shadow and aid a young family running for their lives.

Sixteen-year-old Jack thinks he's a failure. Living with aches and nausea, hearing voices and disconnected from his friends, he wonders if crystal meth might take the pain away. But when his mother ends up in a coma, and his father can't cope, Jack runs from home with his younger sister Emily. As the siblings shelter from a violent storm, goddess Freyja appears. She says they must travel to the realm of Sylvaheim to defeat the malevolent Lord Batu Glass and his partner Morgana. Growing in power, they now threaten all the realms. But the ultimate challenge lies within: Can Jack and Emily conquer their deepest fears to stop druglord Batu Glass and his henchmen, the traitorous ravens, before Jack's soul

is lost too? *Shadows of Sylvaheim* is not just a coming-of-age mythic fantasy novel, it also acts as a Jungian guide to life. "It is a worthy undertaking to introduce young people to Jungian psychology and I applaud Toula's efforts and dedication. I wish her great success!" Dr Murray Stein Jungian Analyst, Author, Lecturer Author Bio Dr Toula Gordillo was born in Brisbane, Australia. She grew up travelling the country with a nature-loving father narrating stories, songs and poetry, and a mother who taught her music and distance education. The family eventually settled on the Great Dividing Range: a city called Toowoomba. Toula's own life, in many ways, is as diverse as the protagonists in this book. Like Jack and Emily who also 'lived' west of the Range, Dr Gordillo followed a dream, escaping to an alternate reality through fantasy to cope with adversity during the teen years. At seventeen, Toula and her mother moved to Katherine in the Northern Territory. Here, Toula attended Katherine State High School and was exposed to the storytelling method of the Territory's First Nation's population. In one of the most remote regions of Australia, living and working in a predominantly indigenous community, combined with her father's passion for storytelling, Toula came to appreciate the value of using ancient 'fantastical' stories and images to pass on important information and knowledge. As a young undergraduate psychology student, Toula was briefly introduced to the work of Carl Jung. Years later, studying a Doctor of Creative Arts (Creative Writing) at the University of the Sunshine Coast, she understood Jung's premise. That is, conscious awareness of myth-based fantasy can not only help to explain 'reality', [1] but it is vital for health and healing. Dr Gordillo witnessed the curative power of combining mythic fantasy with reality firsthand in her varied careers as a teacher, Guidance Officer Intensive Behaviour Support (GOIBS) and Acting Head of Student Services in some of the largest state high schools in Australia. Assigned to only the most difficult cases, principals called Toula 'the pointy end of the stick'. For her, the 'stick' was a wand: a suite of fantasy-based stories and images that she used to transform young people's lives. Today, as a practicing Clinical psychologist and Jungian psychotherapist specialising in children and youth, Dr Gordillo continues to develop innovative ancient stories and images as part of her Universal Psychology and Story Image Therapy(R) (SIT) method. She has dedicated the rest of her life to helping to improve young people's physical, mental,

emotional and spiritual health through mythic fantasy. For more information, see www.toulagordillo.com. [1] As in one's perception of reality, rather than reality as an absolute construct. *Dark Shadows* Feather Knight Books

Praise for *Shadows of the Dark Crystal*: "With deft nods to the original *Dark Crystal* movie and a passionate attention to detail, the author has fashioned an impressive prequel. Fans (who will instantly recognize certain elements) and newcomers alike will find themselves immersed in a new narrative, with new protagonists and dangers to face. Readers who crave otherworld fantasy such as Jaleigh Johnson's *The Mark of the Dragonfly* and Paul Durham's *The Luck Uglies* will enjoy discovering this new series." —School Library Journal "While young readers probably won't have seen the film, the books might lead them to it; even if they don't have that point of reference, Henson's world is richly imagined here, and it will be well worth the projected four books to explore the landscape, characters, and storylines." —The Bulletin of the Center for Children's Books "Characters and situations are compelling, and this first of a planned four-volume

series aptly sets the stage and the conflict and tugs strongly on the heartstrings, setting readers up for more great adventures" —Booklist Before you watch the upcoming Netflix series, read the original novels from J. M. Lee (*The Dark Crystal: Age of Resistance*) that intertwine with the events of the series. Jim Henson's *The Dark Crystal: Shadows of the Dark Crystal* is set years before the events of the classic film and follows the journey of a young Gelfling woman who leaves her secluded home to uncover the truth surrounding the disappearance of her brother who has been accused of treason by the sinister Skeksis Lords.
