The Sherlock Holmes Book, the latest in DK's award-winning Big Ideas Simply Explained series, tackles the most "elementary" of subjects--the world of Sherlock Holmes, as told by Sir Arthur Conan Doyle. The Sherlock Holmes Book is packed with witty illustrations, clear graphics, and memorable quotes that make it the perfect Sherlock Holmes guide, covering every case of the world's greatest detective, from A Study in Scarlet to The Adventure of Shoscombe Old Place, placing the sorties in a wider context. Stories include at-a-glance flowcharts that show how Holmes reaches his conclusions through deductive reasoning, and character guides provide handy reference for readers and an invaluable resource for fans of the Sherlock Holmes films and TV series. The Sherlock Holmes Book holds a magnifying glass to the world of Sir Arthur Conan Doyle's legendary detective.

*Pets at the White House* Tebbo

The first three novels that, in 1887, introduced the world to Sherlock Holmes and his partner, Dr.

John Watson, who would go on to become two of the most widely admired characters in all of

literature, are presented here in one hardcover volume. 10,000 first printing.

**How the White Metal Shaped America and the Modern World** Random House

First published in 1890, The Sign of Four is Sir Arthur Conan Doyle's second book starring legendary detective Sherlock Holmes. The story is complex, involving a secret between four ex-cons from India and a hidden treasure. More complex than the first Holmes novel, The Sign of Four also introduces the detective's drug habit and leaves breadcrumbs for the reader that lead toward the final resolution.

The Mistakes I Never Forget is the story of the struggle of a young man, Gautam-who moves to Bangalore, the silicon city of India-in hunt of a lucrative job in a software company. He has completed his engineering degree, but struggles to speak English fluently. This makes his employers' think he is not qualified enough and refuse to give him a job. He shares space in a dingy one room apartment with three other young men, Lawrence, a nerd, Kamesh a hulk, and Madhan, who doubles up as their chef-all struggling for months to find software jobs and make ends meet. Even his roommates and friends ridicule him because of his language shortcoming. However, when a beautiful, talented young woman, Reshmi, falls in love with Gautam, his friends are amazed and question the why and how of this relationship. Reshmi's works in the software industry, but dreams of being a choreographer. Will she fulfill her dream? Will Gautam get a job in a software company despite his stuttering English?

**Understanding by Design** Princeton University Press

A wonderfully wicked new anthology from the editor of The Penguin Book of Gaslight Crime It is the Victorian era and society is both entranced by and fearful of that suspicious character known as the New Woman. She rides those new- fangled bicycles and doesn't like to be told what to do. And, in crime fiction, such female detectives as Loveday Brooke, Dorcas Dene, and Lady Molly of Scotland Yard are out there shadowing suspects, crawling through secret passages, fingerprinting corpses, and sometimes committing a lesser crime in order to solve a murder. In The Penguin Book of

Victorian Women in Crime, Michael Sims has brought together all of the era's great crime-fighting females- plus a few choice crooks, including Four Square Jane and the Sorceress of the Strand.

*The Sign of the Four(Sherlock Holmes #2) Illustrated* Everyman's Library

When an Englishwoman receives mysterious gifts of pearls and a letter promising to right wrongs done to her, she calls upon Sherlock Holmes and Dr. Watson to investigate. Who is sending the beautiful Miss Morstan a rare and priceless pearl each year? Holmes and Watson pursue Indian treasures, and murders whose ominous trademark is "the sign of four". It is in this, the second Holmes novel that the great detective fully comes to life —as a melancholic and an inscrutable master of deduction.

*The Sign of the Four* Harper Collins

Discusses how pets have played an important role in life in the White House and relates anecdotes of presidential pets from the Kennedy administration to Bo, the Obama's Portuguese water dog.

"The Sign of the Four" is Sir Arthur Conan Doyle's follow-up novel to his immensely successful "A Study in Scarlet", where we first meet two of the most famous literary detectives of all time, Sherlock Holmes and Dr. Watson. "The Sign of the Four", first published in 1890, introduces the reader to Miss Mary Morstan, Dr. Watson's future wife, and centers around the mysterious disappearance of Mary's father, Captain Morstan. Set in 1888, Mary's father has been missing for the past ten years and since 1882, after answering a newspaper ad looking for her, Mary receives an anonymous gift of priceless pearls on the anniversary of his disappearance. Mary solicits the help of Sherlock Holmes and Dr. Watson to unravel the mystery of her father's disappearance and the identity of her anonymous benefactor. Holmes and Watson are soon deep into a dangerous and complex case involving a stolen treasure, the Indian Rebellion of 1857, and a secret pact between four convicts. "The Sign of the Four" is not only a brilliant and engrossing mystery, but it is also the first glimpse of the legendary detective as a complicated human and flawed hero. This edition is printed on premium acid-free paper

**Sherlock: Sign of Four** Independently Published

The Sign of the Four (1890), also called The Sign of Four, is the second novel featuring Sherlock Holmes written by Sir Arthur Conan Doyle. Doyle wrote four novels and 56 stories starring the fictional detective. The story is set in 1888. The Sign of the Four has a complex plot involving service in East India Company, India, the Indian Rebellion of 1857, a stolen treasure, and a secret pact among four convicts ("the Four" of the title) and two corrupt prison guards. It presents the detective's drug habit and humanizes him in a way that had not been done in the preceding novel, A Study in Scarlet (1887). It also introduces Doctor Watson's future wife, Mary Morstan. Sir Arthur Conan Doyle described how he was commissioned to write the story over a dinner with Joseph M. Stoddart, managing editor of an American publication Lippincott's Monthly Magazine, at the Langham Hotel in London on 30 August 1889. Stoddart wanted to produce an English version of Lippincott's with a British editor and British contributors. The dinner was also attended by Oscar Wilde, who eventually contributed The Picture of Dorian Gray to the July 1890 issue. Doyle discussed what he called this "golden evening" in his 1924 autobiography Memories and Adventures. The novel first appeared in the February 1890 edition of Lippincott's Monthly Magazine as The Sign of the Four; or The Problem of the Sholtos (five-word title), appearing in both London and Philadelphia. The British edition of the magazine originally sold for a shilling, and the American for 25 cents. Surviving copies are now worth several thousand dollars. Over the following few months in the same year, the novel was then republished in several regional British journals. These re-serialisations gave the title as The Sign of Four. The novel was published in book form in October 1890 by Spencer Blackett, again using the title The Sign of Four. This edition was illustrated by Charles H. M. Kerr. The title of both the British and American editions of this first book edition omitted the second "the" of the original title. Different editions over the years have varied between the two forms of the title, with most editions favouring the four-word form. The actual text in the novel nearly always uses "the

Sign of the Four" (the five-word form) to describe the symbol in the story, although the four-word form is used twice by Jonathan Small in his narrative at the end of the story. As with the first story, *A Study in Scarlet*, produced two years previously, *The Sign of the Four* was not particularly successful to start with. It was the short stories, published from 1891 onwards in *Strand Magazine*, that made household names of Sherlock Holmes and his creator. reference : Wikipedia, [The Sign of the Four](#) [The Sherlock Holmes Book](#) Independently Published

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.
