Walk the Wire Grand Central Publishing
In this fast-paced historical thriller, #1 New York Times bestselling author David Baldacci introduces Archer, a WWII veteran forced to investigate a small-town

murder -- or risk returning to prison. It's 1949. When war veteran Aloysius Archer is released from Carderock Prison, he is sent to Poca City on parole with a short list of do's and a much longer list of don'ts: do report regularly to his parole officer, don't go to bars, certainly don't drink alcohol, do get a job--and don't ever associate with loose women. The small town quickly proves more complicated and dangerous than Archer's years serving in the war or his time in jail. Within a

single night, his search for gainful employment--and a stiff drink--leads him to a local bar, where he is hired for what seems like a simple job: to collect a debt owed to a powerful local businessman, Hank Pittleman. Soon Archer discovers that recovering the debt won't be so easy. The indebted man has a furious grudge against Hank and refuses to pay; Hank's clever mistress has her own designs on Archer; and both Hank and Archer's stern parole officer, Miss Crabtree, are keeping a sharp eye on

him. When a murder takes place right under Archer's nose, police suspicions rise against the ex-convict, and Archer realizes that the crime could send him right back to prison . . . if he doesn't use every skill in his arsenal to track down the real killer.

Mitch Rapp, a gifted college athlete, who wants only one thing: retribution. consultant with a perfect memory—returns to solve a gruesome murder in a booming North Dakota oil town in the newest thriller in David Baldacci's #1 New York Times bestselling *Memory Man* series. When Amos Decker and his FBI colleague Alex Jamison are called to London, North Dakota, they instantly sense that the thriving fracking town is ripe for trouble. The promise of a second gold rush has attracted an onslaught of newcomers all hoping for a windfall,

and the community is growing faster than houses can be built. The sudden boom has also brought a slew of problems with it, including drugs, property crimes, prostitution—and now murder. Decker and Jamison are ordered to investigate the death of a young woman named Irene Cramer, whose body was expertly autopsied and then dumped in the open—which is only the beginning of the oddities surrounding the case. As Decker and Jamison dig into Irene's life, they are

shocked to discover that the woman who walked the streets by night as a prostitute was a teacher for a local religious sect by day—a sect operating on land once owned by a mysterious government facility that looms over the entire community. London is a town replete with ruthless business owners, shady government officials, and religious outsiders, all determined to keep their secrets from coming out. When other murders occur, Decker will need all of his extraordinary
