Introductory biography of Susan B. Anthony, who fought for equal rights for all women and men.

Fighting for Equal Rights Rutgers University Press

Essays and primary documents that trace the relationship and political development of Elizabeth Cady Stanton and Susan B. Anthony.

Susan B. Anthony Votes for President McFarland

National Protection for National Citizens, 1873 to 1880 is the third of six planned volumes of The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony. The entire collection documents

the friendship and accomplishments of two of America's most important social and political reformers. Though neither Stanton nor Anthony lived to see passage of the Nineteenth Amendment in 1920, each of them devoted fifty-five years to the cause of woman suffrage. The third volume of the Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony opens while woman suffragists await the decision of the U.S. Supreme Court in cases testing whether the Constitution recognized women as voters within the terms of the Fourteenth and Fifteenth Amendments. At its close they are pursuing their own amendment to the Constitution and pressing the presidential candidates of 1880 to speak in its favor. Through their letters, speeches, articles, and diaries, the volume recounts the national careers of Elizabeth Cady Stanton and Susan B. Anthony as popular lecturers, their work with members of Congress to expand women's rights, their protests during the Centennial Year of 1876, and the launch that same year of their campaign for a Sixteenth Amendment.

Susan B. Anthony Prometheus Books

Is It a Crime for a U.S. Citizen to Vote? Susan Brownell Anthony (1820-1906) was a heroic American civil rights leader who was pivotal in enabling American women to vote; unfortunately it did not

come to pass until fourteen years after her death. She was co-founder of the first Women's Temperance Movement with Elizabeth Cady Stanton as President. She also co-founded the women's rights journal, *The Revolution*. She averaged 75-100 speeches per year, traveling the length and breadth of the United States, as well as speaking in Europe. This book is a Biography that she helped Ida Husted Harper to write. It contains a great number of personal letters, public addresses and letters from her contemporaries spanning fifty years. The book traces the evolution of the 19th century women's suffrage movement. This edition contains both volumes of the autobiography, including the appendix and three indexes as well as copious footnotes, autographs and illustrations.

The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony: Against an aristocracy of sex, 1866 to 1873 Abrams

Born a Quaker, Susan B. Anthony grew up being taught that women were equal to men. During her lifetime, she was a teacher, a newspaperwoman, and an activist. She worked to further many causes such as the temperance, the abolitionist, and women's rights movements. Although she didn't live to see her dreams of women's suffrage come true, her tireless dedication to the cause

was crucial to its success.

Susan B. Anthony: Champion for Voting Rights! Mitchell Lane Publishers, Inc.

Profiles the life and accomplishments of the schoolteacher who became the most famous leader of the women's rights movement.

A Brief Biography of Susan B. Anthony Cherry Lake

Susan B. Anthony rejected the idea that women were not equal to men and fought for women's rights and women's suffrage. She was often ridiculed for her unorthodox manner and dress, but she remained steadfast in her beliefs. Readers will make both language arts and social studies connections through related vocabulary.

An Illegal Vote, a Courtroom Conviction and a Step Toward Women's Suffrage Charlesbridge

Voting is an important part of being an American. At one time, however, it was a right that only men enjoyed. That changed when a determined woman named Susan B. Anthony spoke up—and acted on her beliefs. She was so sure of her cause that she was more than willing to go to court and state her case in front of everyone, regardless of the threat of imprisonment. Her passion showed the country that something was wrong. Women rallied behind her. Men came to see that women's voices were powerful and important not only in the home but also in the world at large. Anthony did not live long enough to see her vision for women realized. However, thanks to her years of countless speeches, writing, and hard work, along with the efforts of Elizabeth Cady Stanton, Alice Paul, and many others, women finally achieved what they rightfully deserved: the right to vote.

Susan B. Anthony: Her Fight for Equal Rights Capstone

On November 5, 1872, Susan B. Anthony made history—and broke the law—when she voted in the US presidential election, a privilege that had been reserved for men. She was arrested, tried, and found guilty: "The greatest outrage History every witnessed," she wrote in her journal. It wasn't until 1920 that women were granted the right to vote, but the civil rights victory would not have been possible without Susan B. Anthony's leadership and passion to stand up for what was right.

The Trial of Susan B. Anthony Who Was Susan B. Anthony?

On a spring day in 1851, a meeting between two women would later shape U.S. history. Susan B. Anthony and Elizabeth Cady Stanton met in Seneca Falls, New York, and soon kindled a friendship.

This engaging volume reveals how Stanton and Anthony's teamwork played a principal role in advancing the women's rights movement in the United States. Primary sources, intriguing fact boxes, and eye-catching historical images cast light on these two important individuals of American history with a special focus on their influential friendship.

Susan B. Anthony Penguin

Meet one of the most important figures in women's and U.S. history. Just in time for the 100th anniversary of the 19th amendment giving U.S. women the right to vote, learn about Susan B. Anthony's remarkable life, from her childhood to her groundbreaking work. National Geographic Kids Readers have been a hit in the beginning reader category, and this book builds upon that success with a new approach—parents and children reading together. With the same combination of careful text, brilliant photographs, and fun approach to high-interest subjects that has proved to be a winning formula with kids, National Geographic Co-readers provide one page of adult read-aloud and one page of kid read-aloud text on each spread, building toward a collaborative reading experience.

Fighter for Freedom and Equality Millbrook Press

Susan Brownell Anthony (1820-1906) was an American social reformer and women's rights activist who played a pivotal role in the women's suffrage movement. Born into a Quaker family committed to social equality, she collected anti-slavery petitions at the age of 17. In 1856, she became the New York state agent for the American Anti-Slavery Society. Anthony traveled extensively in support of women's suffrage, giving as many as 75 to 100 speeches per year and working on many state campaigns. She worked internationally for women's rights, playing a key role in creating the International Council of Women, which is still active. She also helped to bring about the World's Congress of Representative Women at the World's Columbian Exposition in Chicago in 1893.

Susan B. Anthony The Rosen Publishing Group, Inc

A biography of Susan B. Anthony, a woman who worked to bring equality to women and African Americans.

Explores the diversity of thought and action in women's involvement in 19th-century reform movements.

National Geographic Readers: Susan B. Anthony (L1/Co-Reader) Capstone

In the fourth installment in the Making of America series, Susan B. Anthony, Teri Kanefield examines the life of America's famous suffragette. Anthony was born into a world in which men ruled women: A man could beat his wife, take her earnings, have her committed into an asylum based on his word, and take her children away from her. While the young nation was ablaze with the radical notion that people could govern themselves, "people" were understood to be white and male. Women were expected to stay out of public life and debates. As Anthony saw the situation, "Women's subsistence is in the hands of men, and most arbitrarily and unjustly does he exercise his consequent power." She began her public career as a radical abolitionist, and after the Civil War, she became an international figurehead of the women's suffrage movement. The book includes selections of Anthony's writing, endnotes, a bibliography, and an index.

A Friendship That Changed the World Simon and Schuster

"Susan B. Anthony didn't live long enough to see women get the vote, but her tireless dedication shines through on every page."—The Washington Post Book World Failure Is Impossible brings together—for the first time—a wide-ranging, spirited collection of Susan B. Anthony's speeches, letters, and quotes, linked by contemporary reports and Lynn Sherr's insightful biographical commentary. By allowing the legendary suffragist to speak for herself, Sherr brushes the dust off of the Susan B. Anthony icon, introducing a new generation to the brave, brilliant, funny, and, most of all, prescient woman she really was. "Lynn Sherr has done us all a great service by bringing to spectacular light the too long neglected story of one of our greatest patriots—a genuine hero who helped change for the better the lives of a majority of American citizens."—Ken Burns

Susan B. Anthony Enslow Publishing, LLC
