HOOPER BRADFORD

She Just Wants to Forget Andrews McMeel Publishing
In the vein of poetry collections like Milk and Honey and Adulthood, this compilation of short, powerful poems from teen Instagram sensation @poeticpoison perfectly captures the human experience. In Light Filters In, Caroline Kaufman—known as @poeticpoison—does what she does best: reflects our own experiences back at us and makes us feel less alone, one exquisite and insightful piece at a time. She writes about giving up too much of yourself to someone else, not fitting in, endlessly Googling “how to be happy,” and ultimately figuring out who you

are. This collection features completely new material plus some fan favorites from Caroline's account. Filled with haunting, spare pieces of original art, Light Filters In will thrill existing fans and newcomers alike. It's okay if some things are always out of reach. If you could carry all the stars in the palm of your hand, they wouldn't be half as breathtaking

From the Instagram poetry sensation Atticus, an ebook boxed set of his bestselling collections: Love Her Wild and The Dark Between Stars. Atticus's poetry has captured the hearts and minds of more than a million avid followers on his Instagram account @AtticusPoetry, including superstars like Alicia Keys, Emma Roberts, and Karlie Kloss, who have marveled at his talent for distilling an entire spectrum of emotions into a pitch-perfect,

effortlessly evocative line. His first collection, *Love Her Wild*, captures what is both raw and relatable about the smallest and the grandest moments in life: the first glimpse of a new love in Paris; skinny dipping on a summer's night; the irrepressible exuberance of the female spirit; or drinking whiskey in the desert watching the rising sun. In his second collection, a New York Times bestseller, *Atticus* turns his attention to the dualities of our lived experiences, exploring the infectious energy of starting a relationship, the tumultuous realities of commitment, and the agonizing nostalgia of being alone again. *The Dark Between Stars* illustrates that we need moments of both beauty and pain—the darkness and the stars—to fully appreciate all that life and love have to offer.

Anywho, I Love You Andrews McMeel Publishing

From bestselling poet Samantha King Holmes and New York Times bestselling author r.h. Sin comes a collection of poetry, prose, and photography that proves love is infinite and ever changing. This is a seven-year tapestry of love, adventure, enlightenment, and progression. A collection of moments sewn together with poetry and prose, memories and musings. *Anywho, I Love You* is a window into what we have seen and what we have felt throughout our journey as lovers, parents, authors, and artists.

Planting Gardens in Graves Andrews McMeel Publishing

r.h. Sin's final volume in the *Whiskey, Words, and a Shovel* series expands on the passion and vigor of his first two installments. His stanzas inspire strength through the raw, emotional energy and the vulnerability of his poems. Relationships, love, pain, and fortitude are powerfully rendered in his poetry, and his message

of perseverance in the face of emotional turmoil cuts to the heart of modern-day life. At roughly 300 pages, this culminating volume will be his lengthiest yet.

Words from a Wanderer Andrews McMeel Publishing

From the bestselling author of the *Whiskey, Words, and a Shovel* series comes this poetic reminder of women's strength. There are moments when the heart no longer wishes to feel because everything it's felt up until then has brought it nothing but anguish. In *She Felt Like Feeling Nothing*, r.h. Sin pursues themes of self-discovery and retrospection. With this book, the poet intends to create a safe space where women can rest their weary hearts and focus on themselves.

She Fits Inside These Words Andrews McMeel Publishing

From best-selling poet, r.h. Sin, comes an expanded hardcover keepsake edition of his original chapbook, *Rest in the Mourning*. The calm before and after the storm. *Rest in the Mourning* is a steady and profound stream of conscious thoughts and emotion. Documenting unhealthy relationships and why the heart ends up in the hands of those deemed unworthy. It speaks to the heart's ability to hold on to relationships that no longer deserve our energy as well as what happens when we are ready to let go. *Rest in the Mourning* is about self-care and self-love. "

Planting Gardens in Graves II Simon and Schuster

R.H. Sin's second volume continues the passion and vigor of his previous publication. His stanzas inspire strength through the pure emotional energy and the vulnerability of his poems. Relationships, love, pain, and fortitude are powerfully rendered in his poetry, and his message of perseverance in the face of emotional turmoil cuts to the heart of modern-day life. R.H. Sin's poems are often only a few lines long, and yet the emotional punch of his language gives these words an enduring power beyond the short page. He doesn't back away from the pains and struggles of life and love, and yet his determined, unapologetic voice provides a measure of comfort and a message of perseverance that is at once realistic and indomitable. This blend of determination and painful vulnerability gives his poetry a distinctive, engaging flavor.

Atticus Boxed Set Andrews McMeel Publishing

What are you hiding behind your smile? If those empty bottles that line the walls of your room could speak, what tales would they spill? So much of your truth is buried beneath the lies you tell yourself. There's a need to scream to the moon; there's this urge to go out into the darkness of the night to purge. There are so many stories living inside your soul, you just want the opportunity to tell them. And when you can't find the will to express what lives within your heart, these words will give you peace. These words will set you free.

Winter Roses after Fall Andrews McMeel Publishing

A Beautiful Composition of Broken is inspired by some of the events expressed artistically by Samantha King in the bestseller *Born to Love, Cursed to Feel*. It serves as a poetic documentary of the lives of people who have been mistreated, misunderstood, and wrongfully labeled in a way that limits them in this world. The author's most personal volume yet, *A Beautiful Composition of Broken* builds a conceptual bridge between r.h. Sin's earliest work and his forthcoming series, *Planting Gardens in Graves*.
