 North Korea continues to make headlines, arousing curiosity and fear in equal measure. The world's most secretive nuclear power, it still has Gulag-style prison camps, allows no access to the Internet and bans its people from talking to foreigners without official approval. In this remarkable and eye-opening book, internationally best-selling author Paul French examines in forensic detail the history and politics of North Korea, Pyongyang's complex relations with South Korea, Japan, China and America, and the implications of Kim Jong-un's increasingly

belligerent leadership following the death of his father, Kim Jong-il. As an already unstable North Korea grows ever more unpredictable, antagonizing enemies and allies alike, North Korea: State of Paranoia delivers a provocative and frightening account of a potentially explosive nuclear tripwire.

Celebrating the 50th anniversary of the Beatles' Yellow Submarine comes this fully authorized graphic novel adaptation. The Beatles are recruited by the Captain of the Yellow Submarine to help him free Sgt. Pepper's Lonely Hearts Club Band, and the world of Pepperland from the music-hating Blue Meanies. The music-loving, underwater paradise of Pepperland has been

overrun by the music-hating Blue Meanies and their leader, Chief Blue Meanie. They turn the people of Pepperland into living statues by dropping apples on them and imprison the Pepperland's guardians, Sgt Pepper's Lonely Hearts Club Band inside a soundproof blue glass globe, before confiscating all the music instruments in the land. Pepperland's mayor sends aging sailor, Young Fred out in the fabled Yellow Submarine to find help. He travels to our world where he stumbles across the Beatles and begs them to help him free his world. They agree and head back to Pepperland, teaming up with Jeremy The Nowhere Man along the way to help overthrow the evil Blue Meanies through the power of music and love.

Around the World in Eighty Days CCV

When three friends, fueled by an alcohol-induced dream to travel the world, clicked "buy" on an iconic London cab they name Hannah, little did they know what they were getting themselves into. Leaving the Big Smoke in their vintage taxi, Paul, John, and Leigh began a 43,000-mile trip that would take them off the beaten track to some of the most dangerous and deadly places on earth. By the time they arrived home, they would manage, against all the odds, to circumnavigate the globe, and in doing so, break two World Records. It's On the Meter is an honest account of what it's like to drive a Black Cab around the world. From altercations with the Iranian Secret Police to narrowly escaping the Taliban, the trio's adventure is filled with hair-raising escapades. The traveling trio will give an impression of each country the taxi passed through and its people and will help readers understand how to survive fifteen months on the road. Feel the fear, frolic in the fun, and meet the hundred passengers the taxi picked up along the way, as the authors take you on their action-packed journey.

Wolfhilde's Hitler Youth Diary is the chronicle of a girl growing up in Munich during the most volatile time in world history. WHAT OTHERS HAVE SAID ABOUT THE DIARY For an in depth review of The Diary, please visit The Herald Palladium. Initially, the material upset me emotionally in an unexpected way. It took me some time to re-read the diary entries one by one to gain a calmer perspective. Of course, for 60 years or longer I have been aware of the strategies and tactics, the techniques and methods applied and utilized by the Nazi regime to contaminate and poison the minds and souls of people—beginning with children from the age of 10—with its fierce, all-embracing ideology. Never, before reading Wolfhilde's Hitler Youth Diary, have I been confronted with such massive, monstrous evidence as to what the Nazi regime was doing to us—and how they did it. What is presented here in the diary of a girl from 13 through 21 years of age is a textbook example—concrete evidence—of how they did it. Wolfgang Schleich, 1928- Journalist. Retired since 1990 from Radio Free Europe, where he worked for almost 35 years as a reporter, editor, traveling correspondent and head of the network's Berlin Bureau.

Der Albtraum jedes Kriminalisten: Ein toter Jugendlicher ohne Namen wird versteckt in einem Keller gefunden. Ein alter Gang führt in die nordkoreanische Botschaft. Doch alle Ermittlungen scheitern an der Immunität der Botschaftsangehörigen. Der Junge ist asiatischer Abstammung. Ist er Koreaner? Führt die Spur ins rechte Milieu? Zwischen verschwiegenen Diplomaten, einem offen rassistischen Lehrer und gewalttätigen Klassenkameraden versuchen Hauptkommissarin Sunja Löwel und ihre Kollegen, das Rätsel zu lösen. Ein zweiter Mord lenkt ihren Verdacht gar auf den offiziellen Vertreter Nordkoreas. Ein Land, das Feinde auch außerhalb seiner Landesgrenzen verfolgt.

Young Ramchand rushes through the dusty streets of Amritsar, once again late for work. Chastised by his boss, he takes his place among the cottons and silks of the sari shop, selling yards of cloth to the wealthy and fashionable women of the town. Offered a glimpse of a more opulent world, Ramchand is seduced by the idea that he might somehow better himself. But making dreams real will come at a price that a poor shop assistant might not be able to pay ... Funny, compelling and unflinchingly honest, *The Sari Shop* is a heartbreaking story of a young man's struggle to be someone else and a brilliantly clear-sighted debut.

Nach seinem Nordkorea-Trip wollte Christian Eisert friedlich Ferien machen — in einem Land ohne Gefahr für Leib und Leben und ohne Paranoia. Stattdessen fuhr er in die Schweiz ... Auf der Berg- und Talfahrt des Bestsellerautors entpuppt sich das reichste Land der Welt auch als eines der bizarrsten: Es gibt mehr Plätze in Bunkern als Einwohner, die Armee erringt ihre größten Siege in der Küche, und Rückwärtsfahren ist gesetzlich verboten. Drum fährt Eisert vorwärts durch die Schweiz, mit Bus, Bahn und Boot. Seine Reiseroute soll am Ende den Landesnamen ergeben, inklusive i-Punkt. Eisert bei den Eidgenossen — ein Abenteuer voller Wahrheit und Wahnwitz.

The Hangman of Paris Edel Elements - ein Verlag der Edel Verlagsgruppe

With a New Foreword The heartwrenching New York Times bestseller about the only known person born inside a North Korean prison camp to have escaped. North Korea's political prison camps have existed twice as long as Stalin's Soviet gulags and twelve times as long as the Nazi concentration camps. No one born and raised in these camps is known to have escaped. No one, that is, except Shin Dong-hyuk. In *Escape From Camp 14*, Blaine Harden unlocks the secrets of the world's most repressive totalitarian state through the story of Shin's shocking imprisonment and his astounding getaway. Shin knew nothing of civilized existence—he saw his mother as a competitor for food, guards raised him to be a snitch, and he witnessed the execution of his mother and brother. The late "Dear Leader" Kim Jong Il was recognized throughout the world, but his country remains sealed as his third son and chosen heir, Kim Jong Eun, consolidates power. Few foreigners are allowed in, and few North Koreans are able to leave. North Korea is hungry, bankrupt, and armed with nuclear weapons. It is also a human rights catastrophe. Between 150,000 and 200,000 people work as slaves in its political prison camps. These camps are clearly visible in satellite photographs, yet North Korea's government denies they exist. Harden's harrowing narrative exposes this hidden dystopia, focusing on an extraordinary young man who came of age inside the highest security prison in the highest security state. *Escape from Camp 14* offers an unequalled inside account of one of the world's darkest nations. It is a tale of endurance and courage, survival and hope.

A haunting account of teaching English to the sons of North Korea's ruling class during the last six months of Kim Jong-il's reign. Every day, three times a day, the students march in two straight lines, singing praises to Kim Jong-il and North Korea: Without you, there is no motherland. Without you, there is no us. It is a chilling scene, but gradually Suki Kim, too, learns the tune and, without noticing, begins to hum it. It is 2011, and all universities in North Korea have been shut down for an entire year, the students sent to construction fields—except for the 270 students at the all-male Pyongyang University of Science and Technology (PUST), a walled compound where portraits of Kim Il-sung and Kim Jong-il look on impassively from the walls of every room, and where Suki has gone undercover as a missionary and a teacher. Over the next six months, she will eat three meals a day with her young charges and struggle to teach them English, all under the watchful eye of the regime. Life at PUST is lonely and claustrophobic, especially for Suki, whose letters are read by censors and who must hide her notes and photographs not only from her minders but from her colleagues—evangelical Christian missionaries who don't know or choose to ignore that Suki doesn't share their faith. As the weeks pass, she is mystified by how easily her students lie, unnerved by their obedience to the regime. At the same time, they offer Suki tantalizing glimpses of their private selves—their boyish enthusiasm, their eagerness to please, the flashes of curiosity that have not yet been extinguished. She in turn begins to hint at the existence of a world beyond their own—at such exotic activities as surfing the Internet or traveling freely and, more dangerously, at electoral democracy and other ideas forbidden in a country where defectors risk torture and execution. But when Kim Jong-il dies, and the boys she has come to love appear devastated, she wonders whether the gulf between her world and theirs can ever be bridged. *Without You, There Is No Us* offers a moving and incalculably rare glimpse of life in the world's most unknowable country, and at the privileged young men she calls "soldiers and slaves."

A Woman in Berlin Turtleback

SUNDAY TIMES TOP 10 BESTSELLER *Dear Leader* contains astonishing new insights about North Korea which could only be revealed by someone working high up in the regime. It is also the gripping story of how a member of the inner circle of this enigmatic country became its most courageous, outspoken critic. Jang Jin-sung held one of the most senior ranks in North Korea's propaganda machine, helping tighten the regime's grip over its people. Among his tasks were developing the founding myth of North Korea, posing undercover as a South Korean intellectual and writing epic poems in support of the dictator, Kim Jong-il. Young and ambitious, his patriotic work secured him a bizarre audience with Kim Jong-il himself, thus granting him special status as one of the 'Admitted'. This meant special food provisions, a travel pass and immunity from prosecution and harm. He was privy to state secrets, including military and diplomatic policies, how the devastating 'Scrutiny' was effected, and the real position of one of the country's most powerful, elusive men, Im Tong-ok. Because he was praised by the Dear Leader himself, he had every reason to feel satisfied with his lot and safe. Yet he could not ignore his conscience, or the disparity between his life and that of those he saw starving on the street.

After breaking security rules, Jang Jin-sung, together with a close friend, was forced to flee for his life: away from lies and deceit, towards truth and freedom.

Chasing Chaos Crown

A vision of a European future of peace and stability despite the present gloom. The world appears to be at another major turning point. Tensions between the United States and China threaten a resumption of great power conflict. Global institutions are being tested as never before, and hard-edged nationalism has resurfaced as a major force in both democracies and authoritarian states. From the European perspective, the United States appears to be abdicating its global leadership role. Meanwhile, Moscow and Beijing eagerly exploit every opportunity to pit European partners against one another. But a pivot point also offers the continent an opportunity to grow stronger. In *World in Danger*, Wolfgang Ischinger, Germany's most prominent diplomat, offers a vision of a European future of peace and stability. Ischinger examines the root causes of the current conflicts and suggests how Europe can successfully address the most urgent challenges facing the continent. The European Union, he suggests, is poised to become a more powerful actor on the world stage, able to shape global politics while defending the interests of its 500 million citizens. This important book offers a practical vision of a Europe fully capable of navigating these turbulent times.

Jessica Alexander arrived in Rwanda in the aftermath of the 1994 genocide as an idealistic intern, eager to contribute to the work of the international humanitarian aid community. But the world that she encountered in the field was dramatically different than anything she could have imagined. It was messy, chaotic, and difficult—but she was hooked. In this honest and irreverent memoir, she introduces readers to the realities of life as an aid worker. We watch as she manages a 24,000-person camp in Darfur, collects evidence for the Charles Taylor trial in Sierra Leone, and contributes to the massive aid effort to clean up a shattered Haiti. But we also see the alcohol-fueled parties and fleeting romances, the burnouts and self-doubt, and the struggle to do good in places that have long endured suffering. Tracing her personal journey from wide-eyed and naïve newcomer to hardened cynic and, ultimately, to hopeful but critical realist, Alexander transports readers to some of the most troubled locations around the world and shows us not only the seemingly impossible challenges, but also the moments of resilience and recovery.

"Craig wields powerful and vivid prose to illuminate a country and a family trapped not only by war and revolution, but also by desire and loss." —Viet Thanh Nguyen, Pulitzer Prize-winning author *Miss Burma* tells the story of modern-day Burma through the eyes of Benny and Khin, husband and wife, and their daughter Louisa. After attending school in Calcutta, Benny settles in Rangoon, then part of the British Empire, and falls in love with Khin, a woman who is part of a long-persecuted ethnic minority group, the Karen. World War II comes to Southeast Asia, and Benny and Khin must go into hiding in the eastern part of the country during the Japanese occupation, beginning a journey that will lead them to change the country's history. Years later, Benny and Khin's eldest child, Louisa, has a danger-filled, tempestuous childhood and reaches prominence as Burma's first beauty queen soon before the country falls to dictatorship. As Louisa navigates her newfound fame, she is forced to reckon with her family's

past, the West's ongoing covert dealings in her country, and her own loyalty to the cause of the Karen people. Based on the story of the author's mother and grandparents, *Miss Burma* is a captivating portrait of how modern Burma came to be and of the ordinary people swept up in the struggle for self-determination

and freedom. "At once beautiful and heartbreaking . . . An incredible family saga." —Refinery29 "Miss Burma charts both a political history and a deeply personal one—and of those incendiary moments when private and public motivations overlap." —Los Angeles Times
