Complete Road Atlas of Canada Grand Central Publishing

Get thousands of facts right at your fingertips with this essential resource The World Almanac® and Book of Facts is America's top-selling reference book of all time, with more than 82 million copies sold. Since 1868, this compendium of information has been the authoritative source for all your entertainment, reference, and learning needs. The 2016 edition of The World Almanac® reviews the events of 2015 and will be your go-to source for any questions on any topic in the upcoming year. Praised as a "treasure trove of political, economic, scientific and educational statistics and information" by The Wall Street Journal, The World Almanac® and Book of Facts will answer all of your trivia needs—from history and sports to geography, pop culture, and much more. Features include:

- The Year in Review: The World Almanac® takes a look back at 2015 while providing all the information you'll need in 2016.
- 2015—Top 10 News Topics: The editors of The World Almanac® list the top stories that held their attention in 2015.
- 2015—Year in Sports: Hundreds of pages of trivia and statistics that are essential for any sports fan, featuring complete coverage of the first College Football Playoff, the Women's World Cup, 2015 World Series, and much more.
- 2015—Year in Pictures: Striking full-color images from around the world in 2015, covering news, entertainment, science, and sports.
- 2015—Offbeat News Stories: The World Almanac® editors found some of the strangest news stories of the year.
- World Almanac® Editors' Picks: Time Capsule: The World Almanac® lists the items that most came to symbolize the year 2015, from news and sports to pop culture.
- U.S. Immigration: A Statistical Feature: The World Almanac® covers the historical background, statistics, and legal issues surrounding immigration, giving factual context to one of the hot-button topics of the upcoming election cycle.
- World Almanac® Editors' Picks: Most Memorable Super Bowls: On the eve of Super Bowl 50, the editors of The World Almanac® choose the most memorable "big games."
- New Employment Statistics: Five years after the peak of the great recession, The World Almanac® takes a look at current and historic data on employment and unemployment, industries generating job growth, and the training and educational paths that lead to careers.
- 2016 Election Guide: With a historic number of contenders for the presidential nominations, The World Almanac® provides information that every primary- and general-election voter will need to make an informed decision in 2016, including information on state primaries, campaign fundraising, and the issues voters care about most in 2016.
- The World at a Glance: This annual feature of The World Almanac® provides a quick look at the surprising stats and curious facts that define the changing world.
- and much more.

The Great World Atlas Random House

Explore the lands of the Bible and the history of scripture with unprecedented clarity. This major revision of the Gold Medallion Award-winning Zondervan NIV Atlas of the Bible is a visual feast that will help you experience the geography and history of Scripture with unprecedented clarity. The first section of the Atlas introduces the "playing board" of biblical history. The next section, arranged historically, begins with Eden and traces the historical progression of the Old and New Testaments. It concludes with chapters on the history of Jerusalem, the disciplines of historical geography, and the most complete and accurate listing and discussion of place-names found in any atlas. Unique features include: Stunning multidimensional and three-dimensional maps Over 100 new relevant-to-topic images Revised engaging text Innovative chronological charts and graphics A complete geographical dictionary and index available for in-depth studies The Zondervan Atlas of the Bible is destined to become a favorite guide to biblical geography for students of the Bible. This accessible and complete resource will assist you as you enter into the world of the Bible as never before.

Reader's Digest Guide to the Australian Coast Putnam Publishing Group

#1 NEW YORK TIMES BESTSELLER • In her latest book, Brené Brown writes, "If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection." In *Atlas of the Heart*, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown's extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this research, as well as on Brown's singular skills as a storyteller, to show us how accurately naming an experience doesn't give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, "I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves."

The Reader's Digest Children's Atlas of the World Reader's Digest

This beautifully illustrated atlas is a celebration of our extraordinary, interconnected planet, specially designed for young readers. From Afghanistan to Zimbabwe, children can explore all corners of the world through perfectly rendered, clearly annotated maps. They can learn about natural habitats and busy cities; ancient traditions and modern lifestyles; and the landmarks and achievements that make each country unique.

The Reader's Digest Children's World Atlas Rand McNally

Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil,

Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator?

Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. *Atlas Shrugged*, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

Atlas of the Heart Berkley Publishing Group

'Reader's Digest Atlas of the World' contains giant maps which take you from an overview of the whole world, through portraits of the continents to a detailed picture of all the world's countries and regions. The maps show how humans have moulded the land for their own needs, built towns and cities, and highways, roads and railways that link them.
